

Dear Maplewood Families,

Below, you will find essential information, policies, and procedures regarding transportation to and from camp. If your child is a regular parent pick-up and drop-off, the assignment column will indicate "CAR." For children enrolled in extended AM or PM care, "CHILD CARE" will be listed in the assignment column. Extended hours begin at 7:30 AM and end at 6:00 PM.

The parent morning drop-off window is from 8:35 AM to 8:55 AM, and afternoon pick-up starts at 3:40 PM. We kindly request that parents do not arrive at Maplewood before 3:40 PM. Adhering to these set times ensures ample space for all cars and prevents congestion as buses enter or leave the facility. In the morning, campers will disembark from the buses after parent drop-off concludes. In the afternoon, buses will leave Maplewood at 3:40 PM.

Please ensure your Maplewood-issued placard is visibly displayed in your car during both drop-off and pick-up at Maplewood. This placard is also required at bus stop pick-ups in the afternoon to help our staff identify authorized pick-ups for each camper.

If you notice any discrepancies in your child's weekly transportation schedule, please contact the main office at 508-238-2387.

Thank you,  
The Maplewood Team
