

Meet The Angels of the 2026 Season

Brittany , Senior Camp Counselor

Hello campers and parents , my name is Brittany. This is my first year here at Maplewood as a senior camp counselor. I'm super excited to learn the ways of the camp and to get to know every single one of you ! I live in rockland with my fiancé and my daughter Abigail who will be starting her first year as a camper here as well. We also have a 3 year old dog named Bella at home. I am a paraprofessional at a preschool .During any spare time I have I love to take nature walks , go to the beach or play video games . Let's have a fun and eventful summer !!!

Kayla, Junior Counselor

Hi! My name is Kayla, and I will be a junior counselor for the Angels this summer. This is my 1st year at Maplewood, and I'm so thrilled to learn more about what this camp has to offer and all its campers! I plan to attend Lesley University to hopefully become an Art Therapist for children. You could probably guess I love all things related to arts and crafts, but I'm all for trying anything and everything new. I can't wait to meet everyone and help them have a great time at camp this summer!

Amanda, Junior counselor

Hello! My name is Amanda Danti and I am a junior counselor for the Angels this summer! I am nineteen years old and a rising sophomore at Bryant University. This is going to be my fourth summer with the angels and twelfth year at Maplewood overall. In my free time I love to run, play volleyball, and draw. I'm so excited to meet everyone and have an amazing summer full of fun!

Here are some important things you should know for camp

- Take make things easier for us and your camper ensure to send them in a bathing suit as well as another in their bag along with two towels as swimming and water activities will be apart of our schedule
- Please have your child wear sneakers to camp , they may bring another pair of shoes such as crocs to change into
- Please make sure your camper comes to camp wearing sunblock and bug spray , we will remind campers to re apply throughout the day

- Snacks should be packed in a separate bag from lunches as their lunches will go in a refrigerated unit
- Please label “nuts” on anything that contain nuts as we have campers with allergies
- Please label everything with your campers names such as backpacks , bags with towels and or bathing suits , waterbottles , lunches , etc. So nothing gets mixed up
- Please leave any toys at home as well as any technology as we do not want anything lost or broken , Cellphones and Apple/Samsung watches are not allowed to be used on the campgrounds
- If your child has to be picked up early please be sure to call the office or send the child in with a note to give to us so we can ensure a smooth pickup

If you have any questions or concerns throughout the summer please feel free to reach out ,
let's have a great summer !!!!
