Muppets 2026

Here are a few reminders as you prepare to send your child to camp this summer:

- **Please send your camper with sunscreen on!** Sunscreen will be reapplied during the day, but they must come with it already on. Bug spray may also be packed and applied during the day.
- **Please send your camper ready to swim!** Please have your camper wearing a bathing suits to camp under their clothes. Send your camper with one towel, goggles if needed, a dry set of clothes (pack an extra outfit, just in case) and a plastic bag to pack those wetsuits away!
- **Please send your camper wearing sneakers and bring water shoes in their bag!** Campers should wear sneakers to camp and pack water shoes (crocs, flip flops, sandals, etc.) in their bag. This ensures all campers are comfortable when running around and participating in activities!
 - On rainy days please pack accordingly! Our muppets love to play in puddles- a pair of rainboots or an extra pair of shoes lets them have even more fun!
- **Please pack a snack outside of your campers lunch!** Snacks are not refrigerated, so make sure it can withstand being in the snack bin for a few hours.
- **Please label all lunches!** If your camper's lunch or snack contains nuts please label them with 'nuts'. Lunch will be refrigerated!
- **Please make sure everything is labeled!** Goggles, towels, water bottles and even clothes can get easily lost, please label these with your campers name so we can avoid any lost and found!
- **Pickups and early dismissals:** Please send a virtual note to the office if there is any change to their pick-up or they are getting dismissed early. This can mean being picked up by car rather than taking the bus home. Please make sure to let the office know of any changes. If there is no note and nobody in the office knows, we will have to follow a regular pickup procedure.

We are so excited for this summer!! - Shelby, Addie, Hailey, Genny, Amya, and Kayleigh
