

WILD ONES

Summer 2026

Jenna, Senior Counselor → Hello, everyone! My name is Jenna Eiten, and I am the senior counselor of the Wild Ones. This is my first year at Maplewood, and I am thrilled to be part of the team this summer! I just graduated from Bridgewater State University with a degree in Secondary Education and English, and will be starting at King Philip Middle School this coming fall as an 8th grade ELA teacher. I am a life-long dancer and theater lover. I also teach dance to kids of all ages. I am excited to bring the energy, positivity, and enthusiasm to Maplewood this summer, ensuring that every camper feels safe, welcome, and supported.

Nathaniel, Junior Counselor → This is Nathaniel's second year at Maplewood! He just finished his second year of college at Bridgewater State University, and is excited for summer camp to begin! He also is an avid viewer of sports, and is ready to help encourage the campers in all activities Maplewood has to offer.

Israel, Junior Counselor → My name is Israel, and this will be my second year at Maplewood! I am 16 years old, enthusiastic about soccer, and cannot wait to start working with the campers.

Everett, Senior CIT → Hello! This year will be my 6th year at Maplewood! I am 15 years old, a passionate runner in Cross Country and Track, and filled with excitement for this summer with the Wild Ones.

The following are a few reminders to help each day be as fun as possible!

- **Bathing suits-** Your camper can arrive in their bathing suit because there will be a morning swim session. Please also have a dry pair of clothes if your camper is going to want to change out of their bathing suit during the day. If your camper is comfortable being in their bathing suit shorts all day, then that is completely fine too!
- **Sunscreen** should be applied to your camper before camp each day. Please have your camper pack sunscreen and bug spray in their bag so that they can re-apply during the day. Also, feel free to have your camper wear a hat if they wish.
- **Sneakers** should be worn to camp everyday. Water shoes or flip flops should also be packed for water activities that will take place during the day.
- **Pick ups-** If your child is being picked up early or is not taking the bus please have them bring a note and give the note
- **Personal belongings** can be labeled with your camper's name if you choose to do so. This will help us avoid losing or mixing up items with other campers.
- **Cell phones-** we do not want campers to be using or have cell phones out at all during the day. If a camper doesn't need a cell phone then they should not bring one. The camp office has a phone that can be used if needed.
- **Lunch and snacks** can be packed in the same bag. The smaller the bag the better so that all the lunch bags can fit in the fridge.
- **Gadgets** or anything of value: please make sure all personal belongings stay at home. This includes cell phones, any other electronics, fidget toys, jewelry, etc. Things at camp get lost, and we would hate for your camper to lose anything of value. Cell phones and other electronics are not allowed at camp at any point!
