

The Witches

Summer 2026

Welcome to the Witches! My name is Brianna and I will be the senior counselor of your camper's group this summer. I am joined by a great staff and we are excited for a summer full of fun!

The following are a few tips to help make the most out of each day this summer.

- ★ **What to wear to camp:** bathing suits under clothes, sneakers, sunscreen, bugspray, hat
- ★ **What to pack in backpack:** towels (2), extra bathing suit, pool shoes (flip flops/crocs), dry clothes, sunscreen (we prefer spray), bugspray, bag for wet items
- ★ **Snack & Water:** please keep a snack separate from your child's lunch! Always pack more than one water bottle or send your child with a reusable bottle.
- ★ **Lunch:** please label your child's lunch with "nuts" if you have packed nut products to assist us with allergies. Disposable lunch containers are preferred. Lunch is refrigerated during the day.
- ★ **Label everything:** We want to make sure that your child comes home with everything they came to camp with! Please help us by labeling your child's belongings. We do share a changing room with other groups.
- ★ **Pick-up/ early dismissal:** If there is a day that your camper will be picked up early or has a dismissal change, please write a note with the time of pickup so we can have your child ready in the main office. **If there is no note or phone call, we must follow your regular dismissal routine.**
- ★ **Birthdays:** If your child is celebrating a birthday during their time at camp, please let us know so that we can celebrate it! We do ask that you do not bring in food to share as we cannot distribute it among the group.
- ★ **Please have your child leave anything of value at home where it is safe!**

If you have any questions or concerns, please don't hesitate to let us know - we are looking forward to an amazing Maplewood Summer!
