

Musketeers

Hello and welcome, Musketeers! Whether it's your first time at Maplewood, or you've been coming for years, we are glad to have you as our camper!

Let's meet the staff:

Our head counselor is Alyssa, and this is her third year here at Maplewood. She's also a teacher during the school year, and loves reading, trying new restaurants, and going for nature walks. Her favorite activities at camp are Gaga Ball, Art, and Barnyard.

Owen is one of our counselors in the group, and he's a rising senior in high school. He's a big fan of both Track and of Gaga Ball at camp. He's also known for his great kicks in kickball, and he's returning for his third year at camp as well.

Brady is another of our counselors, and this is his fifth year here as a Maplewood counselor! He loves cats, being outdoors, and enjoys Legos and Gaga Ball at camp.

The last counselor on our Musketeers team is Charlie, who is new to Maplewood this year but has experience with coaching! He is currently a student at WPI studying aerospace engineering, and he loves wrestling. So far, he has enjoyed camp activities like Flag Football and Kickball.

We look forward to having a great summer with our Musketeers!

-

Thanks,
Alyssa
