About Me

Graphic designer with strong skills across digital and physical media. Skilled in layout design, typography, and visual communication, I create design solutions that are visually impactful, user-focused, and aligned with project goals. I bring clear organisation, creative problem-solving, and attention to detail to every project. Confident in collaborative environments, I take initiative and ensure smooth project delivery, while remaining adaptable and quick to learn.

Personal Interests

Passionate about contemporary art, visual culture and storytelling through image and design. I enjoy visiting galleries, curating sketchbooks, and experimenting with new mediums in my spare time. Outside of art and design, I'm interested in snowboarding and cooking, both of which offer creative and energising outlets beyond my practice.
