Product Offering

Grain

Characteristics

A classic product, smooth and sweet with vanilla and caramel at the forefront accompanied with a touch of spice.

Malt

Characteristics

Available at both Triple & Double Distilled, Malt offers a rich palate with malty flavours providing a cereal like quality.

Pot Still

Characteristics

A traditional product offering warmth, spice, and a rich, creamy texture balanced by notes of toasted oak.

Blended

Characteristics

Combines the sweetness of Grain with the depth and structure of Malt for a perfectly rounded profile.

“Every expression is a testament to the quality we uphold, where time, care, and craftsmanship unite to create remarkable whiskeys of character and depth.”
