How it works:

Without SalPac:

You have a salary | Your salary gets taxed | You receive post-tax pay | After tax, you pay for expenses | You have some leftover money

With SalPac:

You have a salary | Before income tax is calculated, you pay for things | Your 'reduced' salary gets taxed. Tax is less | You have more leftover money

clear lease

Save More, with SalPac

Coben works with Clear Lease, giving you access to valuable tax savings on a range of expenses.

Take advantage of the huge tax incentives **– get in touch to calculate your potential savings.**

What you can get, tax free:

Work Related Travel	Includes conference or seminar fees, accomodation, hire car costs, car parking, airfares, public transport, and taxi fares.
Professional Subscriptions & Memberships	Includes newspaper and magazine subscriptions, professional memberships and subscriptions, and club memberships.
Airport Lounge Membership	Includes airport lounge membership fees for as many airline lounges as you have paid for.
Tools of Trade	Means tools primarily used for performing usual work duties. Includes manually operated tools, electrically powered hand tools, toolboxes and belts.
Disability Income Protection	Includes the packaging of any disability and income protection insurance premiums.
Portable Electronic Devices	You can salary package one laptop, iPad, mobile phone, or portable printer per FBT year if it is used for business more than 50% of the time.
Financial Advice	Includes fees from registered financial advisors, such as financial counselling fees, or fees to put together investment plans.
Self Education Expenses	Means self-education that maintains or improves skills and knowledge relevant to your employment, like courses/seminars, journal subscriptions, or books.
Living away from Home Allowance	Includes rent and additional food costs at the new location if you temporarily live away from home for work (and family expenses, if they relocate with you)
Fly-in, Fly-Out	Inludes the cost of airfares between your usual place of residence, and the remote area that is your workplace
