

CAPABILITY STATEMENT

UEI: VP7MR2EGNBB9 CAGE: 9WLT3

Executive Summary:

Dependable Handyman Services (DHS) offers expert handyman, construction, and Excavation equipment services. As a locally owned and operated business, we are the top choice for reliable contracting solutions. With over 25 years of experience, we provide high-quality services for both new construction and remodeling projects. Committed to safety, efficiency, and customer satisfaction, DHS is your dependable partner for all your maintenance and construction needs.

Your Vision, Our expertise:

Whether you need a simple fix or a complete overhaul, we have you covered. Our company is divided into 3 divisions, each with their own range of services. Get to know the DHS divisions below.

Our Handyman division provides a variety of services. As your go-to Handyman we offer maintenance, repairs, installations, and minor servicing needs, completing a comprehensive selection of Handyman maintenance options.

Our Contractor division services cover a wide range of major building repairs, seeing the project through from beginning to end. We manage new construction and remodel work bringing old and new projects to life.

Our Excavation division demonstrates the same versatility that defines our entire team. Our team members are committed professionals who approach each task with adaptability and expertise. They are fully equipped to address a wide variety of your heavy equipment needs.
