

NEW YORK PROVISIONAL ADULT-USE LICENSES

LICENSE OPPORTUNITY OVERVIEW

New York's cannabis industry is thriving, and now is your chance to own and operate a retail dispensary anywhere in the state, as long as it meets state and municipal buffer requirements. With Provisional Adult-Use Retail Dispensary Licenses now available, you can establish your business in a high-demand market and position yourself at the forefront of this booming industry. Whether you're looking to open in a bustling urban center or a thriving suburban or rural area, this license is your gateway to success in New York's cannabis revolution.

This is a rare, time-sensitive opportunity to enter the legal cannabis market ahead of the competition. By securing a provisional license, you gain early access to establish your dispensary while infrastructure continues to evolve. Don't wait—take advantage of this exclusive chance to build your brand, serve your community, and thrive in one of the most exciting industries today. Act now to secure your provisional license and start your journey toward long-term success!

Key Highlights:

- Open a retail dispensary anywhere in New York, provided it meets state and municipal buffer requirements.
- Gain early access to the market and establish your business ahead of the competition.
- Enter a rapidly growing industry projected to generate billions in revenue.
- Take advantage of a streamlined licensing process for a faster path to business success.
