In memory of someone I love.

The 'In Memory of Someone I Love' worksheet can help children preserve memories and reflect on the values of their loved one who has died. It serves as a guide in recalling meaningful moments and what mattered most to that person. This worksheet also encourages the child to take an action in their loved one's memory, whether it's a personal goal or something that could help others.

This activity aims to offer the child a positive way to keep their loved one's memory alive.

The worksheet can be printed out. If you don't have access to a printer, you can instead write these prompts out in any notebook or piece of paper.
