all program levels

100%

Leave Attempt Success

Perfect safety record for
departure assistance

88.9%

Overall Success Rate

Highest achievement in program
history

75%

Retention Rate

Sustained engagement at 6+
months

These headline metrics represent not just statistical improvements, but real lives transformed through comprehensive support, safety planning, and sustained engagement with our services.

Client Engagement Profile

Service Distribution

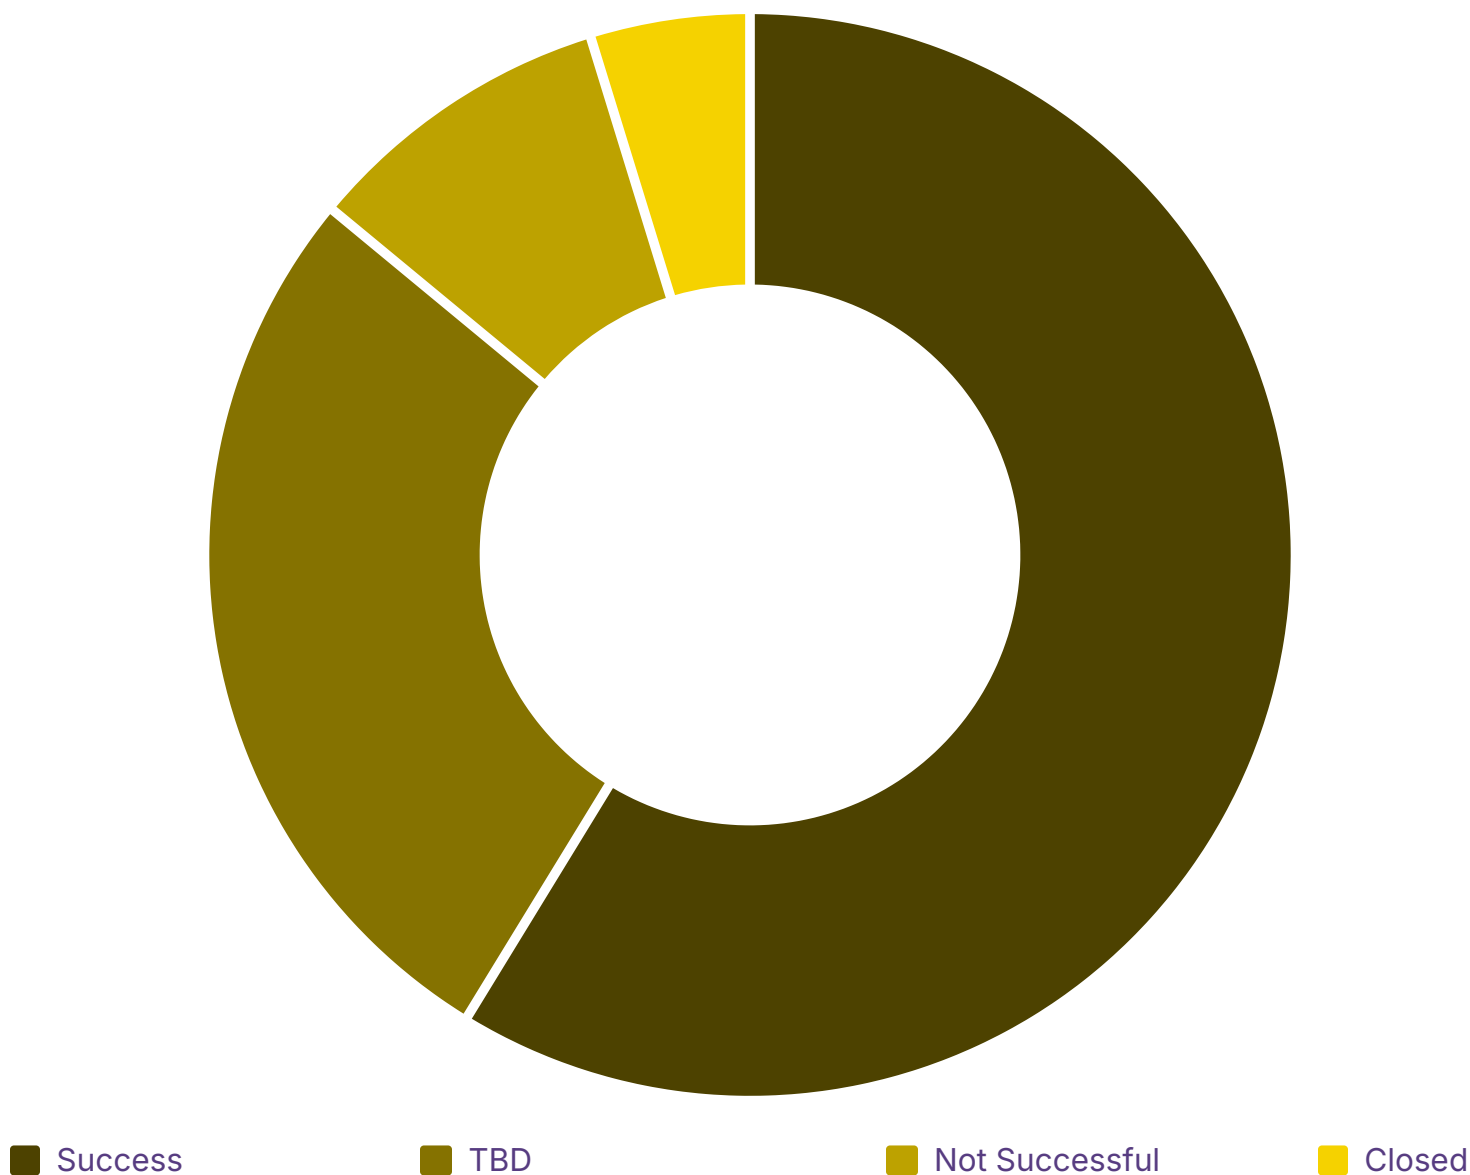

Our 2025 cohort included a balanced mix of new participants seeking immediate support and continuing clients building on established foundations:

- **10 new entries** - First-time participants requiring crisis intervention and initial safety planning
- **20 continuing clients** - Ongoing participants in stabilization and empowerment phases
- **6 volume-only contacts** - Individuals who didn't complete full onboarding but received essential resources

This distribution reflects our dual commitment to crisis response and long-term empowerment, ensuring both immediate safety and sustainable independence.

2025 Program Outcomes

Among our 22 valid program cases, **13 clients achieved successful outcomes**, representing comprehensive goal attainment including safety, stability, and empowerment milestones. Six cases remain in progress with positive trajectories, while only two did not achieve their intended goals.

Perfect Safety Record: 100% Leave Attempt Success

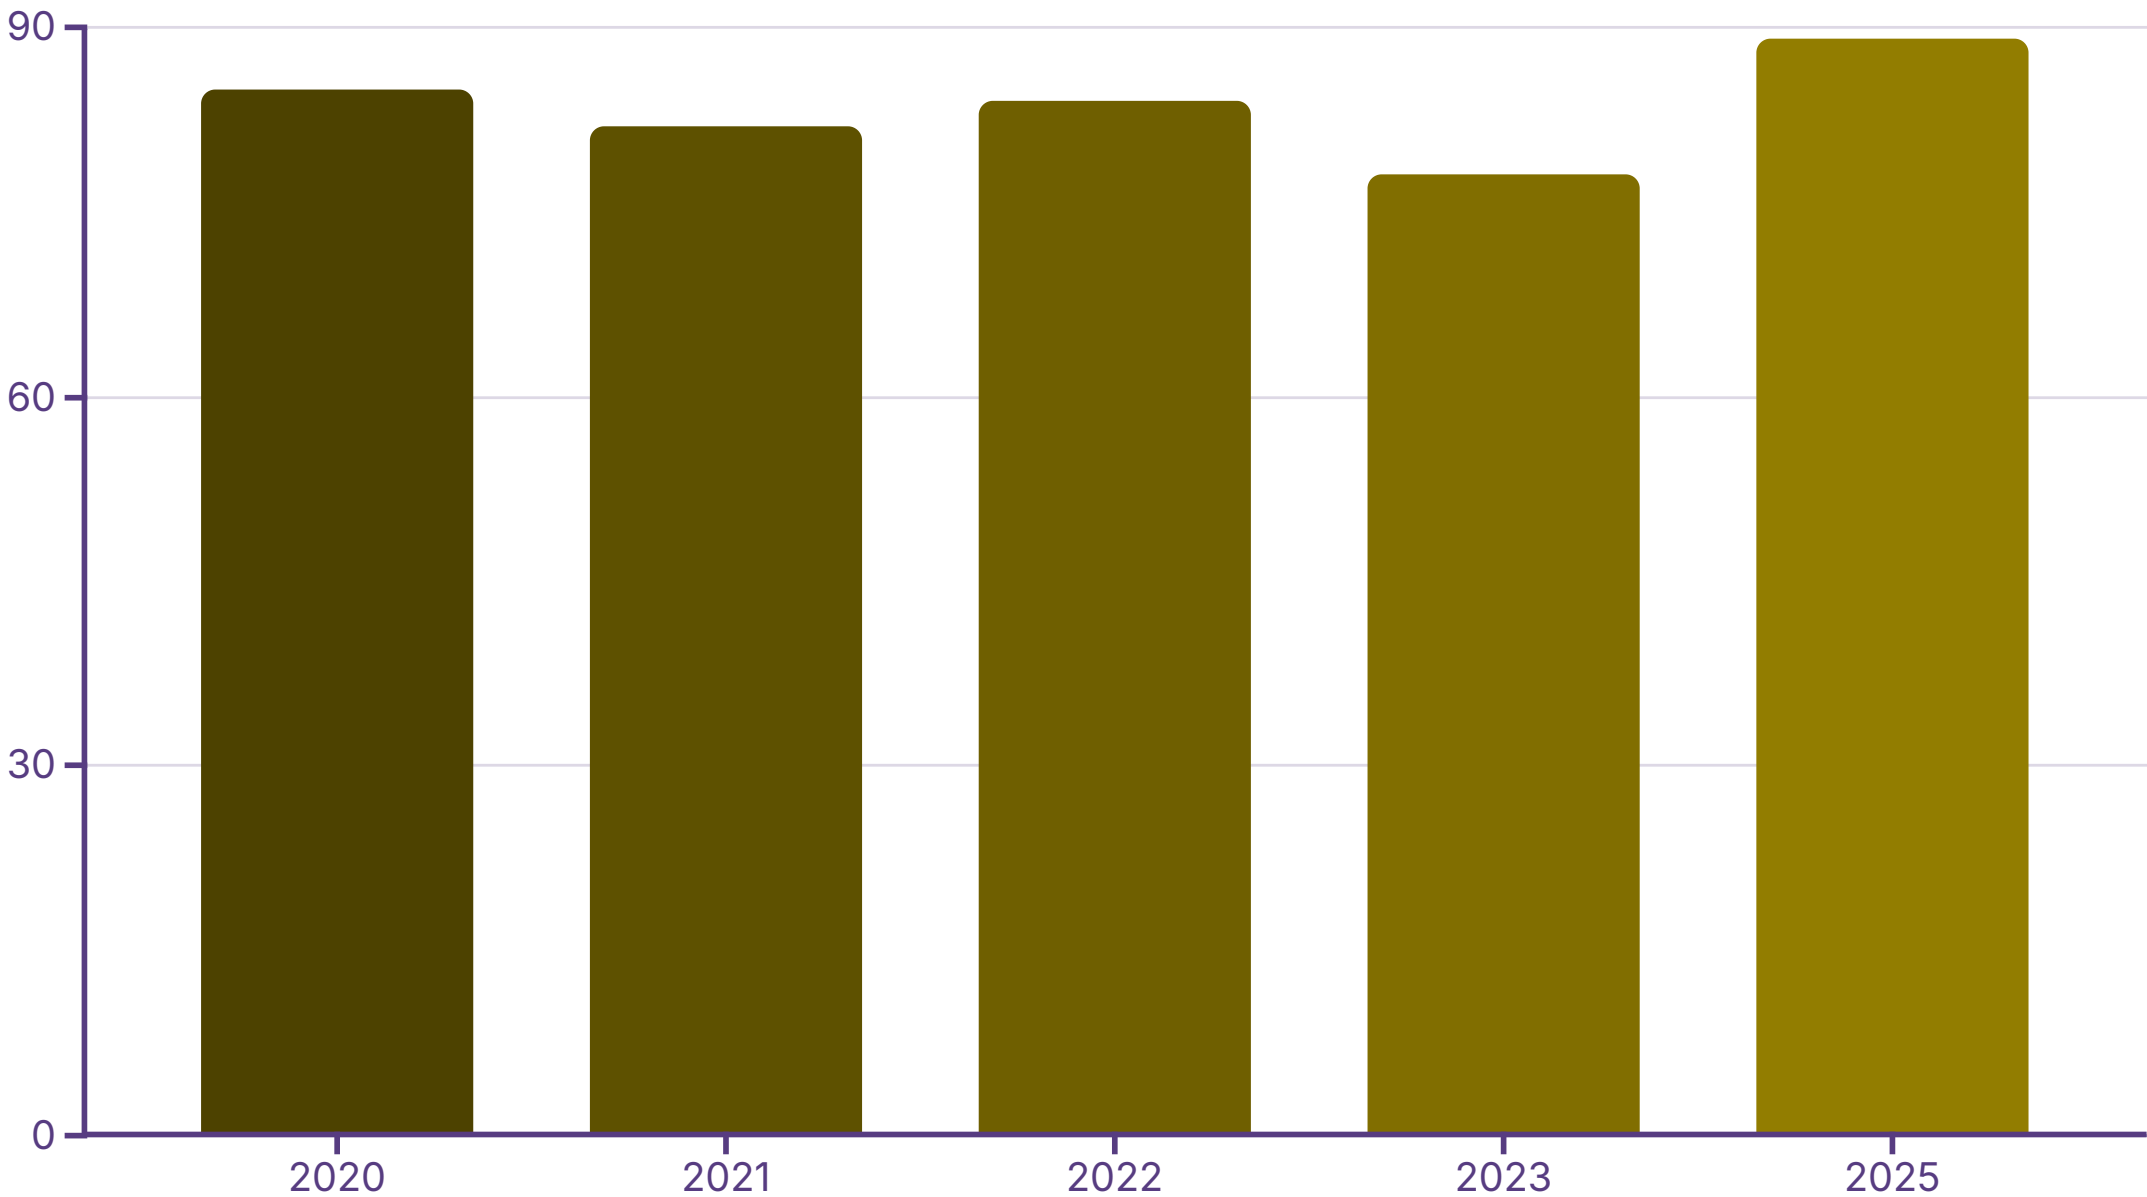

Crisis Safety Planning

Every client who needed assistance leaving a dangerous situation did so safely, with comprehensive planning, resources, and follow-up support ensuring their protection throughout the transition.

This milestone represents the culmination of years of refined safety protocols, enhanced community partnerships, and our team's unwavering commitment to protecting the most vulnerable moments in a survivor's journey. **Zero failed attempts** means every person who trusted us with their safety reached security successfully.

Five-Year Success Rate Trajectory

After experiencing challenges in 2023, our **2025 success rate of 88.9%** represents a remarkable rebound and our highest achievement to date. This improvement reflects strategic program enhancements, staff development investments, and refined client matching processes implemented over the past two years.

Retention Excellence: Building Lasting Connections

Our **75% retention rate** demonstrates that three-quarters of participants remain engaged beyond the critical six-month threshold. This sustained engagement indicates strong therapeutic relationships, relevant programming, and effective support systems that encourage long-term participation in recovery and empowerment activities.

What Success Looks Like

01

Safety Achievement

Clients successfully exit dangerous situations with comprehensive safety plans, emergency resources, and ongoing protection strategies in place.

02

Stability Building

Participants secure stable housing, financial independence, legal protections, and support networks essential for sustained safety.

03

Empowerment Growth

Survivors develop confidence, life skills, career advancement, and leadership capabilities that transform their long-term trajectory.

04

Community Integration

Clients establish meaningful connections, pursue education or career goals, and often become advocates supporting other survivors.

Program Excellence Factors

Enhanced Safety Protocols

Refined risk assessment tools, strengthened community partnerships, and improved crisis response capabilities contributing to our perfect leave attempt success rate.

Trauma-Informed Care

Specialized training and evidence-based practices that recognize the impact of trauma while promoting healing and resilience throughout the recovery journey.

Holistic Support Systems

Comprehensive wraparound services addressing housing, legal advocacy, counseling, career development, and peer support for sustainable independence.

These foundational elements work synergistically to create an environment where survivors can not only achieve safety but build thriving, independent lives free from violence.

2025: A New Benchmark for Impact

HiveSTRONG's 2025 cohort sets a new benchmark — with 100% leave attempt success, higher overall success (88.9%), and stronger retention (75%) than any prior year.

These achievements represent more than statistical improvements—they reflect lives saved, futures reclaimed, and communities strengthened. Our record-breaking performance demonstrates that sustained investment in evidence-based practices, staff development, and participant-centered care yields transformative results.

As we move forward, these 2025 outcomes establish a new standard of excellence and provide a foundation for expanding our impact while maintaining the quality and safety that define the HiveSTRONG mission.
