

## PRODUCT TERMS – CCC® CORE WORKFLOW

1. **Additional Terms.** The following additional terms apply to Customer's use of the CCC Core Workflow Services:

- a. Authorization to Transmit Information to Third Parties. Customer hereby authorizes CCC to transmit, estimates, assignments and other data and information to Third Parties, including repair facilities and independent appraisers, in accordance with Customer's use of the Services.
- b. MOI. Customer may not use the output of the Predictive Solutions Method of Inspection functionality of the CCC CORE WORKFLOW Services ("MOI") for any purpose except as an input to its determination of the appropriate routing of a damaged vehicle for inspection.
- c. Estimate Ingestion. Customer acknowledges that in ingesting estimate, supplement and other information from CIECA compliant estimating systems, CCC does not have access to or inspect the damaged vehicle and information may be lost, damaged or misinterpreted in connection with the ingestion and integration of such data and information into the Services.
