

PRODUCT TERMS – CCC® SUBROGATION DETECTION

1. **Customer Responsibilities.** Notwithstanding any other terms set forth herein or in the Agreement, Customer is solely responsible for adjusting, routing, subrogating and settling claims, including proper payment of claims under its insurance policies and all subrogation outcomes.
2. **Additional Terms.** The following additional terms apply to Customer's use of the CCC Subrogation Detection Services:
 - a. Expansion of Permitted Purpose. The Permitted Purpose for which the CCC Subrogation Detection Services may be utilized shall include the evaluation, processing and settling of non-automotive insurance claims such as property insurance or worker's compensation claims. Other than as set forth in the immediately foregoing sentence, the Permitted Purpose shall be as stated in the Agreement.
 - b. Data Transmission. Customer will provide (or cause to be provided) Customer claims to the CCC Subrogation Detection Services and receive recommendations regarding the subrogation potential of each reviewed claim from the CCC Subrogation Detection Services via Secure File Transfer Protocol or, if licensed by Customer and so configured, via the CCC Subrogation Workflow Services.
