

PRODUCT TERMS – DUNCAN RV ESTIMATING SYSTEM INTEGRATION

1. **Additional Terms.** The following additional terms apply to Customer's use of the Duncan RV Estimating System Integration:
 - a. Services Provided by Integration Partner. The Duncan RV Estimating System Integration Services constitute a Third-Party Integration with Duncan Systems, Inc.'s ("Duncan") RV Estimating System. Duncan constitutes an Integration Partner pursuant to the Agreement and shall also constitute a CCC Indemnitee.
 - b. Use of RV Estimating System. Customer's access to and use of the RV Estimating System shall be subject to the license and restrictions set forth in the Agreement *mutatis mutandis*. Customer acknowledges, however, that the RV Estimating System is confidential and proprietary material owned and copyrighted by Duncan and agrees that Duncan shall retain exclusive ownership of such RV Estimating System, including all literary property rights, copyrights, trademarks, trade secrets, trade names or service marks, including goodwill, and that Duncan and/or CCC may enforce such rights directly against Customer in the event of any violation of the terms of the Agreement as applicable to the RV Estimating System.
 - c. Support. Duncan is solely responsible for providing Customer with support for the RV Estimating System.
