

## STERISOL ULTRA Hair & Body

### Properties

---

Sterisol ULTRA Hair & Body is a high-performance shower gel developed for gentle and effective cleansing of both skin and hair. The formula is dermatologically tested and has conditioning properties that care for the hair, leaving it soft and manageable after every wash.

As part of the Sterisol System, the product is supplied in airtight pouches, eliminating the need for preservatives. ULTRA Hair & Body is silicone-free, Nordic Swan Ecolabelled and available in both a mildly fragranced and a fragrance-free version.

### Field of Application

---

Sterisol ULTRA Hair & Body is ideal for environments where frequent showering is required and where high standards of both personal hygiene and skin care are essential. Thanks to its unique combination of efficacy and mildness, the product is particularly suitable for use in the food industry, industrial settings and healthcare, as well as in public facilities such as swimming pools and sports centres.

By providing deep cleansing while helping to moisturise both skin and hair, ULTRA Hair & Body supports good skin health even with daily use in demanding environments. To ensure the unique hygiene benefits of the system and leak-free use, the product should always be used together with the corresponding dispenser.

## Parfum

Packaging	Art. no	No. in ctn	No. Ctn/pallet	No. on pallet	EAN-code	Packaging/litre of product
0,375 l	4831	12	96	1152	7392173048297	110 grams

## Tests

The product has been dermatologically tested with excellent results. Irritation score: 0.

## Environment

ULTRA Hair & Body is **Nordic Swan Ecolabel** certified and based on readily biodegradable raw materials. The system is designed for minimal resource consumption: a 700 ml pouch requires only 11 g of plastic, representing more than an **80% reduction** compared to a traditional bottle (70 g). With a discharge rate of up to 99%, both product waste and overall waste volume are minimized.

## Ingredients

Aqua, Sodium Laureth Sulfate, Glycereth-2 Cocoate, Cocamidopropyl Betaine, Glycereth-7 Caprylate/Caprates, Glycerin, Sodium Chloride, Cetearth-25, Parfum (fragranced version only), Dioleylethyl Hydroxyethylmonium Methosulfate, Propylene Glycol, Citric Acid.

**Sterisol System** is designed to ensure the highest level of hygiene and minimal waste. Our dispensers are easy to install, simple to keep clean, and compatible with all products in our range. The system guarantees completely airtight storage of the contents right up until use.

## How to use

---

To help maintain a strong skin barrier and prevent dryness, a shower temperature close to body temperature, approximately 37°C, is recommended. A short shower of just a few minutes is sufficient for effective cleansing. Finish with cooler water to help the skin recover and preserve its natural moisture balance.

- 1.** Wet hair and body thoroughly with water.
- 2.** Turn off the water and massage ULTRA Hair & Body into both hair and skin.
- 3.** Rinse thoroughly to remove all shower product, leaving the skin and hair clean and soft.

To ensure the system's unique hygiene benefits and leak-proof performance, Sterisol ULTRA Hair & Body should always be used with the corresponding dispenser from the Sterisol System.
