

Sterisol System Dispenser 0,7 l

Properties

Sterisol System Dispenser 0.7 L is a classic and reliable dispenser for Sterisol's 0.7-litre packs. It has been developed for hygienic and convenient dispensing of soap, hand disinfectant, hand cleanser and skin care products in professional environments.

The dispenser has a transparent cover, making it easy to see when the refill pouch needs to be replaced. It is compact, easy to position and available in two versions:

- **4551 – white**
- **4552 – black**

Field of Application

Sterisol System Dispenser 0.7 L is suitable for environments where a hygienic, practical and easy-to-use solution is needed for dispensing soap, hand disinfectant, hand cleanser or skin care products in the Sterisol System.

The dispenser is suitable for professional environments with high standards of cleanliness and user-friendliness, such as workplaces, public facilities, healthcare, industry, schools and washrooms. Its compact 0.7-litre size makes it easy to position wherever products need to be close at hand.
