

ACCESSING THE

THE ISTA HUB

Your step-by-step guide to getting started in our membership space

Step 1: Log into Your ISTA Account

Go to the ISTA website and log into your ISTA account (the one you created when you joined or renewed your membership). You can also access it here directly: <https://www.istaglobal.org/member/login>.

Step 2: Click Through to the ISTA Hub

Once logged in, click the button that directs you to the ISTA Hub. This will take you straight to our community platform, hosted at: <http://hub.istaglobal.org>.

Step 3: Create Your Hub Profile

The ISTA Hub runs on a separate platform, so you'll need to create a new profile within the Hub.

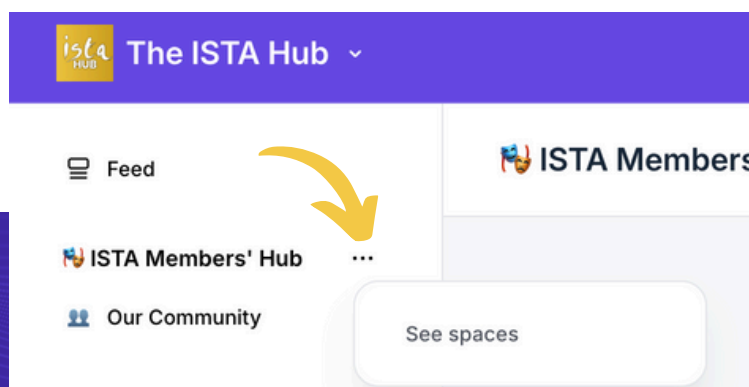

💡 Don't worry — it's quick and easy, and you'll only have to do it once! Just confirm your name, upload a photo, and add a few words about yourself and your work.

Step 4: Join Your ISTA Spaces

Once your profile is set up, you'll need to manually join the key spaces in the Hub. Here's how:

1. In the left-hand menu, click the three dots next to 🍷 **ISTA Members' Hub**.
2. Click "See spaces".
3. You'll see a list of available spaces — just click "Join space" for the ones you want to access.

Recommended Spaces

To get the most out of the Hub, we recommend joining all of the spaces that come with your membership.

Step 5: Accessing Your Spaces & Personal Feed

Once you've joined your chosen spaces, they'll appear in the left-hand menu for easy access. At the very top of this list, you'll see your personal **feed** — this gives you a personalised overview of the most recent posts, updates, and comments from all the groups you've joined.

💡 Add the ISTA Hub to your web browser bookmarks so you can find us fast for easy access to your resources and forums.
