The following documents are required to be signed by an athlete as a condition of nomination to the Event:

- [USA Surfing Code of Conduct](#)
- USA Surfing Team Agreement

#### SECTION 13: DISCLAIMERS

These procedures are based on ISA/PASA rules and regulations as presently known and understood. Any change in the selection procedures caused by a change in ISA/PASA rules and regulations will be distributed to the affected athletes immediately. The selection criteria are based on the latest information available to NGB.

However, the selection criteria are always subject to unforeseen, intervening circumstances, and realistically may not have accounted for every possible contingency. If any force of nature, pandemic, or force majeure, should cause the alteration or cancellation of any of the selection events listed in this document, these selection procedures may require revisions.

If a conflict exists, the NGB's Ethics Committee shall review the conflict and determine the committee member's level of involvement (e.g., whether that committee member must recuse themselves from participating in discussions and/or voting).

During its review, USA Surfing's Ethics Committee may ask a Selection Committee member or an affected person for more information at its discretion. For example, if a Selection Committee member is required to recuse themselves from voting, the NGB's Ethics Committee may still determine that a Selection Committee member who has relevant and necessary information related to athlete performance, such as a national

No committee member shall retaliate in any way against a person who, in good faith, reports an alleged conflict of interest.
