

SPORT INTEGRITY POLICY

Effective: July 15, 2026

INTRODUCTION

Integrity is fundamental to the credibility, fairness, and sustainability of sport. USA Surfing is committed to upholding the principles of honesty, ethical conduct, and fair competition, ensuring that all participants engage in sport in a manner that maintains public confidence and respect, and consistent with the IOC Olympic Movement Code on the Prevention of the Manipulation of Competitions. This policy recognizes the increasing risks to sporting integrity, including corruption, match-fixing, misuse of insider information, and other inappropriate involvement in sports betting. Such behaviors threaten the core values of sport and undermine the safety, welfare, and reputation of athletes, officials, organizations, and competitions.

The Sport Integrity Policy (“Policy”) provides a framework for identifying, mitigating, and responding to integrity threats; outlines USA Surfing’s expectations, responsibilities, and prohibited conduct for all participants; and supports education, monitoring, and enforcement measures to protect the sport from improper influence. This policy does not attempt to provide an exhaustive list of every possible circumstance in which an integrity threat may occur. Instead, by promoting awareness, accountability, and transparency, this policy aims to safeguard fair competition, protect participants from harm, and preserve the trust of fans, stakeholders, and the broader sporting community.
