

QuickScreen-Rx CLIA-Waived 18 Panel Drug Test Cup with Fentanyl

Comprehensive laboratory confirmation of positive screen and/or other drugs and medication.

QuickScreen-Rx: Fast, Affordable Drug Testing in California

Introducing Phamatech's QuickScreen-Rx 18 Panel Drug Test Cup with Fentanyl, the all-in-one solution for California physicians and rehab centers.

Our CLIA-waived cup provides rapid, on-site screening, with same-day courier pickup for next-day confirmation of positive results at our local, certified lab.

Get fast, reliable results at an unbeatable price—all from a single California provider.

Product Advantages

- ✓ **Rapid Diagnostics:** Delivers clinical results as early as 1 minute.
- ✓ **Comprehensive Screening:** Full 18-panel test, including high-sensitivity Fentanyl detection.
- ✓ **Revenue Ready:** FDA-cleared and CLIA-waived to qualify for insurance reimbursement.
- ✓ **Scan-Friendly Design:** Flat-panel cup is optimized for easy digital scanning.
- ✓ **Built-in Privacy:** Integrated overlay keeps patient results confidential.
- ✓ **Cost-Effective:** Premium diagnostic quality at a competitive price.
- ✓ **Advanced Integrity:** Enhanced six-indicator adulteration panel for specimen monitoring.

Streamline your drug
monitoring today.
