Cookie Policy for Xnurta.com

Cookie Policy

Last updated: 2026-01-16

This Cookie Policy explains how **Xnurta** ("we", "us", or "our") uses cookies and similar technologies on the **Xnurta.com website** (the "Website").

This Cookie Policy applies **only to the public marketing website hosted on Webflow**. It does **not** apply to the Xnurta SaaS application available at **ai.xnurta.com**, which is operated on a separate technical infrastructure and governed by its own applicable policies.

---

1. What Are Cookies?

Cookies are small text files that are stored on your device (computer, tablet, or mobile device) when you visit a website. Cookies help websites function properly, improve user experience, and provide information about how the website is used.

We may also use similar technologies (such as pixels or local storage), which are treated as cookies for the purposes of this policy.

---

2. Types of Cookies We Use

The Website uses the following categories of cookies:

---

a. Essential Cookies (Always Active)

Essential cookies are necessary for the Website to function properly and cannot be disabled. These cookies enable core functionality such as:

- Page navigation and basic site functionality
- Security and abuse prevention
- Cookie preference management

Without these cookies, the Website may not operate correctly.

b. Analytics Cookies (Optional)

Analytics cookies help us understand how visitors interact with the Website, such as:

- Pages visited
- Traffic sources and usage patterns

The information collected is aggregated and does not directly identify you. Analytics cookies are used **only with your explicit consent**.

---

c. Performance Cookies (Optional)

Performance cookies collect information about how the Website performs, such as:

- Page load speed
- Website stability and responsiveness

These cookies do not identify you personally and are used solely to help us improve the Website's performance. Performance cookies are enabled only after you provide consent.

---

3. Third-Party Cookies

The Website may use cookies provided by third-party service providers, such as analytics or performance monitoring tools. These third parties may process information in accordance with their own privacy policies.

Where required by law, third-party cookies are used only after you have provided explicit consent.

---

4. How You Can Manage Cookies

You can manage or withdraw your cookie preferences at any time by:

- Using the **"Customize settings"** option in the cookie consent banner
- Adjusting your browser settings to block or delete cookies

Please note that disabling certain cookies may affect the functionality or performance of the Website.

---

5. Cookie Retention

Cookies used on the Website may be session-based (deleted when you close your browser) or persistent (stored for a limited period). Cookies are retained only for as long as necessary to fulfill their intended purpose.

6. Relationship to Xnurta SaaS Services

This Cookie Policy applies **only to the Xnurta.com marketing website**.

The Xnurta SaaS platform available at **ai.xnurta.com** operates on a separate infrastructure and is subject to its own applicable cookie and privacy disclosures.

7. Updates to This Policy

We may update this Cookie Policy from time to time to reflect changes in technology, legal requirements, or our practices. Any updates will be posted on this page with a revised "Last updated" date.

8. Contact Us

If you have any questions about this Cookie Policy or our use of cookies on the Website, please contact us at:
