Trim

Fascia

Band

Rake

Siding

Framing

ENDURAWOOD™ is a Wildland Urban Interface certified product.

# ENDURAWOOD™

PREMIUM FIR AND PINE PATTERNS + TRIM COLLECTION BY WESTERN WOODS

## DURABLE AND VERSATILE.

At Western Woods, we believe that affordable building material should not equal sub-standard quality or performance. With **Western Woods ENDURAWOOD™ Premium Patterns + Trim**, you will find an excellent wood product that strikes the right balance of strength, value, and quality appearance without breaking your budget.

Available in White Fir and Pine, **ENDURAWOOD™** is easy to work with whether you are working with the material by hand or with power tools. Thanks in part to their fine, smooth grain, both species are known for their ability to take stain and paint with ease, allowing **ENDURAWOOD™** to achieve a clean look without any grain raising or deformation. Better still, thanks to the smooth texture of both species, **ENDURAWOOD™** firmly grips onto most paints, stains, and other surface applications, providing your project the ability to maintain an exceptional appearance over time.

**ENDURAWOOD™** offers the versatility you need to take on a wide variety of applications. From window and door trim to siding, fascia to ceilings, and more. In addition to its endurance and versatility, we offer **ENDURAWOOD™** in a wide range of patterns and textures. And for those challenging projects, we offer a custom pattern service as well.
