

# Weddings at R E S E T

Exchange vows in a space that feels both intentional and personal with a full wedding buyout at RESET Hotel. Picture your closest family and friends gathered for a candlelit dinner under endless desert skies, the mountains framing each moment with effortless beauty.

Retreat to sleek, modern suites designed for comfort and connection—each opening to private patios that extend your celebration into the desert. With seamless indoor/outdoor living, couples and guests can move freely between sunlit spaces, starlit evenings, and sweeping desert views.

At RESET, modern desert weddings are about presence, design, and the moments that matter. Couples come here to step away from the ordinary, to create weekends that feel personal, unhurried, and entirely their own.
