

# WOMEN DIVERS HALL OF FAME

## Escape to *Catalina*

September 10-13, 2026

Join Szilvia Gogh and other California-based WDHOFF members for a fun-filled long weekend on this amazing island retreat!

Scuba diving in Catalina Island offers crystal-clear waters, vibrant marine life, and stunning underwater landscapes just off the California coast. Divers can explore kelp forests, colorful fish, and even historic shipwrecks in one of the most accessible dive destinations in the U.S. Whether you're a beginner or experienced diver, Catalina provides a memorable and scenic underwater adventure.
