2 Florida Design Pros Share Striking Living Spaces They Designed

Author: [Krystal Racaniello](#) / September 4, 2024

Two notable designers discuss their buzzworthy spaces.

A West Palm Beach kitchen by this *Luxe* Next In Design 99 honoree is a showcase in layering textures and patterns.

The inspo: Our tropical surroundings—we wanted the space to be a reminder to travel and get outdoors.

The stars: Mosaic House's Tanger Moroccan tile backsplash, which dictated the island's blue shade; the green marble knobs we discovered while traveling; and, of course, the antique corkscrew stools.
