Executive Summary

Merit Commercial Real Estate is pleased to exclusively present for sale **1036 West 12th Street**, a clean and well located duplex in beautiful Medford, Oregon (the "Property").

Located in a pleasant pocket of West Medford, the Property presents the unique opportunity of two separate homes on one parcel without shared walls. West 12th Street is a peaceful and established neighborhood in West Medford with old-growth tree-lined sidewalks and a mix of rentals and owner-occupied homes.

Built in 1979 and 1942 (Units A and B, respectively), the units are both 2-bedroom / 1-bathroom layouts with efficient floorplans.

Unit A (front house) has recently been fully remodeled, and enjoys a full new kitchen, lighting, flooring, finishes and much more. Unit A also enjoys dedicated access to the detached garage and the concrete driveway accessed off of West 12th.

Unit B is a clean, tenant-occupied standalone house to the rear of the property. The interior is light and bright, with an efficient layout and clean and modern finishes. Unit B's main access is via the rear alleyway, and enjoys a concrete driveway and large private fenced yard.

Overall, the property provides an exceptional opportunity, especially for an owner-occupant looking to enjoy additional income and possibly subsidize your mortgage payment. Why Southern Oregon?

Southern Oregon, largely encompassing Jackson and Josephine Counties, is a world-class gem hiding in plain sight. Anchored by its mild Mediterranean climate, the area boasts the winning combination of being both strategically located between Portland and San Francisco, and having forward-thinking municipal leadership. This combination drives strong economic growth and has created a long runway for development across all asset classes.

Southern Oregon is a gateway to the entirety of the West Coast, via Interstate 5, North through Eugene, Salem, Portland, and Washington State, and South, through Redding, San Francisco, and down to Los Angeles. The local transportation system connects the most populated cities in the region of Medford, Ashland, and Grants Pass, and has dedicated highways Northeast to Bend and West to the Oregon Coast.

Multiple billion-dollar companies call Southern Oregon home, such as Lithia Motors (NYSE: LAD), Asante Health Systems, Harry & David (NYSE: FLWS), Pacific Retirement Services, and countless small and mid-sized businesses.

Historically, the area's economy was mainly driven by the timber and agricultural industries. In the past few decades, the area has become a healthcare hub, and has a diverse economy supported by the industrial, manufacturing, logistics, retail, senior/retirement living, and finance/professional sectors. Timber and agriculture still play a role, with Timber Products and Roseburg Forest Products' main facilities located nearby.

A burgeoning golf destination, the area has numerous renowned golf courses, and several other famous courses are within a short drive (Bandon Dunes, Pacific Dunes, Pronghorn Resort). Over 8 casinos are within a 6-hour drive, including Seven Feathers, Three Rivers, Elk Valley, and others.

Southern Oregon Market

Strategic, Central Location

Southern Oregon is perfectly positioned nearly exactly halfway between Portland and Sacramento. The region's main airport, Rogue Valley International-Medford Airport (MFR) serves as both a high-traffic regional airport with dozens of direct-access and layover routes as well as a bustling private aviation hub. Well over 1m annual travelers come through MFR, with that number growing alongside the addition of several new commuter and travel routes to Portland and Salem, Arizona, California, and many others.

Medford enjoys short, \pm 1 hour flight times to San Francisco (6 hr drive), Portland (4 hr drive), and Seattle (7 hr drive). The local airport recently announced plans in early 2025 to double its size and capacity over the next few years, in order to accommodate the rapid growth of the region.

From a private aviation perspective, MFR is home to 2 Fixed-Base Operators (FBOs) - Million Air and Jet Center MFR. Both are highly-active, highly-rated FBOs serving countless private aircraft owners and military personnel. Million Air prides itself on being the only FBO on the West Coast that can hangar a Boeing business jet.

The airport's low relative parking fees, combined with it's strategic, central location, has proven the region as one of the most prominent private aviation destinations in Oregon for corporations and private individuals alike.

The region's drier, sunnier climate allows for easier air travel for most of the year, compared to the rest of the State. MFR also serves as the region's air-based fire-fighting hub during the summer months.

Overall, the region is a burgeoning aviation destination, with the perfect blend of economical, weather, and geographical tailwinds spurring growth.
