This offering memorandum is intended for only the party receiving it from Merit Commercial Real Estate ("MCRE"), and should not be made available to any other reviewing entity without the prior written consent of MCRE. All information included in this offering memorandum has been obtained from sources deemed reliable, however, Owner, MCRE, and/or their representatives make no representations or warranties, expressed or implied, as to the accuracy of the information, and makes no warranty or representation into the exact state of the property, the presence of contaminating substances, PCB's or asbestos, the property or owner's compliance with State and Federal regulations, or the physical condition of any improvements on the property. The recipient of this document must independently verify the information and assumes any and all risk for inaccuracies contained herein. The information contained in this offering memorandum is not a substitute for a thorough due diligence investigation.

Executive Summary

Merit Commercial Real Estate is pleased to exclusively present **4689 Industry Drive**, a highly-functional, strategically-positioned industrial logistics building located in Central Point, Oregon (the "Property").

Originally constructed in 2017, the Property was specifically designed for a high-volume dry goods distributor and includes a modern 100,000 square foot ("SF") building featuring ±4,000 SF of office and mechanical rooms and an expansive ±96,000 SF of modern warehouse space.

With 28' clear height, 50' column spacing, and excellent flow throughout the building, the warehouse is ideal for a wide variety of distributors, light manufacturing, and similar uses.

Access is excellent, with 16 9'x10' dock-high doors (48" docks), with weather-seals and multiple interior levelers installed. A 12'x14' drive-in door is also located in the northeast corner, easily accessed through the large paved truck yard.

Office space is right-sized for the facility, with approximately 4,000 SF of office space including a modern glass storefront-style entryway, multiple private offices, two

Date of this OM: June, 2026, v.1.2

bullpen-style central core working stations, as well as two large restrooms, conference room, and breakroom also accessed from the warehouse.

MEP equipment is significant; a modern ESFR sprinkler system is installed with full building coverage. Dedicated HVAC RTUs serve the office, and massive rooftop exhaust fans are installed for the warehouse. Power supply is strong, with the in-place service rated for 600-amps of three-phase 480/277.

Your employees may easily access the facility with 39 marked parking stalls (2 ADA), and its positioning in an ideal central location. The Property is located adjacent to the Rogue Valley Intl. Airport, and is in the heart of a rapidly growing industrial park with multiple 60-100k SF developments underway nearby. Interstate-5 access is within an easy 7-minute drive, and Highway access is within ±2 mins.

The opportunity at 4689 Industry Drive is clear for prospective buyers and users alike. Buyer is responsible for any and all due diligence. Contact the listing brokers today for additional information.

Sales Price:	Unpriced
Asking Rent:	\$0.85/SF/Mo (\$10.20/SF/Yr)
Lease Structure:	Triple Net ("NNN")
Lease Term:	Negotiable
TI:	Reasonable TI proposals considered
Occupancy:	Delivered vacant; immediately available
Address:	4689 Industry Dr, Central Point, OR 97502 Jackson County
Legal:	37-1W-06 TL 2501 APN 11003042
Annual Taxes:	\$129,912.35 (2025)
Zoning:	I-G (General Industrial)
Land Area:	5.77 acres (251,341.2 SF)
Year Built:	±2017 (per County - 9 years)
Square Feet:	±100,000 SF (per County)
Construction:	Tilt-up concrete exterior walls, slab on grade, some interior wood-frame walls
Power Supply:	Main rated at 600-amps, 480Y/277 3-phase; split into three 200-amp distribution panels fed into two transformers down to 208
Docks/Access:	(16) 9'x10' Serco dock-high doors (1) 12'x14' drive-in door on north corner 48" dock height, all doors have WeatherAll enclosures; some interior levelers installed.
Sprinklers:	Wet, ESFR system with 100+ heads
Parking:	39 marked parking stalls + expansion area
System Details:	See Exhibit A for additional system details

Investment Highlights

Centrally Located Facility

The Property is strategically situated within a growing and demographically desirable region within the Rogue Valley. 4689 Industry Drive is a ± 7 -minute or 3.0 mile drive to the Rogue Valley International Airport and Interstate 5 access. The Property also enjoys an easily accessed, private driveway off of Industry Drive allowing for easy accessibility for general industrial uses.

Highly Functional Layout

Due to its prior use as a facility for a high-volume distributor, the Property has a spacious and highly functional layout with significant dock access, overhead doors, 28' clear height, and overall efficient in and out operational flow for a wide range of manufacturing and distribution uses.

Modern Infrastructure

Built in 2017, 4689 Industry Drive is a quality and versatile industrial facility. The building includes various modern building systems with limited deferred maintenance,, minimizing your capex requirements and providing operational functionality for your business.

Parcel boundaries are approximate and are for illustration purposes only.

Rapidly Growing Region

The Property is located within a well-established industrial park that is a growing and demographically desirable region within the Rogue Valley featuring nearby light to heavy industrial and commercial uses.

Parking / Access

±39 designated parking spaces; two being ADA compliant, with a potential expansion area for parking located on the southern end of the facility. The Property includes one left/right driveway off of Industry Drive.

Overhead Doors Summary

All doors are located on the eastern side of the building. (16) 9'x10' dock doors. Serco docks, 48" dock height, WeatherAll seals. Some docks include levelers. (1) 12'x14' drive-in door.

Loading / Industrial Equipment

Loading dock weather seal/shelter; Serco Entrematic dock and WeatherAll dock weather-seal equipment.

Condition reports are estimates only and should not be relied upon nor substitute a full and complete property inspection. Image has been enhanced using AI and may not be accurate.

See Exhibit A for much more detail on system specs, components, and more.

Fire Systems / Life Safety Summary

The Property features a comprehensive fire protection and life-safety system, with a high-capacity wet ESFR sprinkler system across the entire facility, as well as significant fire alarm and life safety systems.

Utilities Summary

All utilities are public and are serviced by Pacific Power and the Medford Water Commission or Avista. Multiple stormwater diameters located on the Property. Electrical service is rated for 600-amps, 480/277, three-phase.

Ventilation and HVAC Summary

Some RTUs providing HVAC to portions of the building (exact specs currently unknown). Several large Greenheck ceiling exhaust fans, as well as two HVLS ceiling fans providing significant airflow throughout the warehouse.

Plumbing

Plumbing includes A.O. Smith gas-fired 60 gal. water heater with expansion tank; age - ±10 years.

Natural Gas

Natural gas provided through an Elster American Meter gas meter; serviced via Avista.

Telecom. / Security / Low Voltage

CenturyLink fiber optic service in place. Significant PoE surveillance system and infrastructure installed for Johnson Controls badge/fob access controls.

Building Infrastructure Summary

Tilt-up concrete frame with slab-on-grade foundation in excellent condition. Year built: 2017. Fixed dual-pane, aluminum frame windows and storefront glass entry. Original flat roof with metal gutters in excellent condition; ±9 years. Clear height: 28'.

Opportunity Zones

4689 Industry Drive is located within a federal Opportunity Zone, offering potentially significant tax advantages. Opportunity Zones ("OZs") are designated geographical areas where investment is incentivized. Made permanent by the One Big Beautiful Bill Act (OBBBA) of July 4, 2025, the OZ program provides three key tax benefits, with distinctions based on whether a property is substantially improved:

1. Capital gains reinvested into an OZ property or fund within 180 days can be deferred until the investment is sold, with no expiration date due to OBBBA's removal of the prior December 31, 2026 sunset.
2. Holding the investment for five years gives the investor a 10% reduction in the taxable amount of the original deferred gain, regardless of improvements.
3. After a 10-year hold, all appreciation on the OZ investment is excluded from federal capital gains taxes, but for real property like 4689 Industry Drive, this would require substantial improvement, defined as doubling the adjusted basis of the property (excluding land value) within 30 months through renovations or construction.

Without substantial improvement, investors can still defer gains and claim the 5-year 10% reduction, but the 10-year tax-free appreciation would not apply. All parties must consult qualified tax professionals or OZ experts to ensure compliance with IRS regulations. The listing brokers are not qualified to guarantee tax benefits.

Medford, OR | History and Profile

Medford, Oregon - Medford is a vibrant city located in Southern Oregon, known for its unique blend of natural beauty, cultural richness, and economic vitality. It serves as the county seat of Jackson County and is the fourth largest metropolitan area in Oregon. The city is renowned for its picturesque landscapes, including the nearby Rogue River and the Siskiyou and Cascade mountain ranges, which offer a plethora of outdoor activities such as fishing, hiking, and rafting.

Economically, Medford has a diverse base, with healthcare, retail, and manufacturing being significant contributors. The city is home to the Rogue Valley Medical Center and Providence Medford Medical Center, which are major employers in the region. The retail sector has performed increasingly well, anchored by the Rogue Valley Mall, the expanding Northgate Center, and the award-winning Medford Center.

The City has a strong sense of community as well as a diverse economy. Within a 15 minute drive, the Rogue Valley International-Medford Airport is the regional air travel hub for all of Southern Oregon, with well over 1M annual travelers. Breathtaking outdoor recreational activities are moments away; Upper and Lower Table Rock, the Rogue River, dozens of lakes, as well as the Crater Lake National Park are all within an easy drive.

Overall, Medford is a city that blends its historical roots with a forward-looking perspective, making it a desirable destination for businesses and residents alike.

Why Southern Oregon?

Southern Oregon, largely encompassing Jackson and Josephine Counties, is a world-class gem hiding in plain sight. Anchored by its mild Mediterranean climate, the area boasts the winning combination of being both strategically located between Portland and San Francisco, and having forward-thinking municipal leadership. This combination drives strong economic growth and has created a long runway for development across all asset classes.

Southern Oregon is a gateway to the entirety of the West Coast, via Interstate 5, North through Eugene, Salem, Portland, and Washington State, and South, through Redding, San Francisco, and down to Los Angeles. The local transportation system connects the most populated cities in the region of Medford, Ashland, and Grants Pass, and has dedicated highways Northeast to Bend and West to the Oregon Coast.

Multiple billion-dollar companies call Southern Oregon home, such as Lithia Motors (NYSE: LAD), Asante Health Systems, Harry & David (NYSE: FLWS), Pacific Retirement Services, and countless small and mid-sized businesses.

Historically, the area's economy was mainly driven by the timber and agricultural industries. In the past few decades, the area has become a healthcare hub, and has a diverse economy supported by the industrial, manufacturing, logistics, retail, senior/retirement living, and finance/professional sectors. Timber and agriculture still play a role, with Timber Products and Roseburg Forest Products' main facilities located nearby.

A burgeoning golf destination, the area has numerous renowned golf courses, and several other famous courses are within a short drive (Bandon Dunes, Pacific Dunes, Pronghorn Resort). Over 8 casinos are within a 6-hour drive, including Seven Feathers, Three Rivers, Elk Valley, and others.

Southern Oregon Market

Strategic, Central Location

Southern Oregon is perfectly positioned nearly exactly halfway between Portland and Sacramento. The region's main airport, Rogue Valley International-Medford Airport (MFR) serves as both a high-traffic regional airport with dozens of direct-access and layover routes as well as a bustling private aviation hub. Well over 1m annual travelers come through MFR, with that number growing alongside the addition of several new commuter and travel routes to Portland and Salem, Arizona, California, and many others.

Medford enjoys short, \pm 1 hour flight times to San Francisco (6 hr drive), Portland (4 hr drive), and Seattle (7 hr drive). The local airport recently announced plans in early 2025 to double its size and capacity over the next few years, in order to accommodate the rapid growth of the region.

From a private aviation perspective, MFR is home to 2 Fixed-Base Operators (FBOs) - Million Air and Jet Center MFR. Both are highly-active, highly-rated FBOs serving countless private aircraft owners and military personnel. Million Air prides itself on being the only FBO on the West Coast that can hangar a Boeing business jet.

The airport's low relative parking fees, combined with it's strategic, central location, has proven the region as one of the most prominent private aviation destinations in Oregon for corporations and private individuals alike.

The region's drier, sunnier climate allows for easier air travel for most of the year, compared to the rest of the State. MFR also serves as the region's air-based fire-fighting hub during the summer months.

Overall, the region is a burgeoning aviation destination, with the perfect blend of economical, weather, and geographical tailwinds spurring growth.

Transaction Guidelines

4689 Industry Drive is being offered on the open market. Purchasers should rely on their own assumptions and base their offer on the "As-Is, Where-Is" condition of the property. Merit Commercial Real Estate will be available to assist prospective purchasers with their review of the offering and answer any questions within their scope of practice.

Property Tours: Tours are available by appointment only, and must be completed with the company of a listing broker or other representative. Seller reserves the right to suspend tours at any time without notice. Reasonable notice required for any tours.

Offers: There is not currently a definitive date for offers or LOIs to be submitted. When a prospective buyer/user prepares an offer for any portion of the Site, such offers or LOIs should, at a minimum, include the following:

- Purchase price or Lease rate; asking lease rate is \$0.85/SF/Mo (\$10.20/SF/Yr), NNN
- Verifiable proof of funds
- Amount of earnest money deposit
- Buyer's due diligence period, extension options, and internal approval process
- Desired closing date
- Breakdown of closing expenses to be paid by buyer and seller, if differing from local customs
- If lease: Lease rate, TI package, occupancy date, lease term, desired use

Please contact listing brokers Scott and Caspian for additional information.

Additional Buyer/Tenant Resources

Systems & Infrastructure Inventory

1. Electrical / Utility

PacifiCorp electrical service meter: Aclara kV2c meter serving 277/480V Wye electrical service.

Pad-mounted utility transformer: Howard Industries three-phase transformer; 300 kVA, 12,470GRDY/7,200V primary, 480Y/277V secondary, 4.4% impedance, oil-filled, 220 gal., 4,298 lbs., manufactured 01/2016.

Schneider Square D main panel: HCM series rated for 600A, 480Y/277V, three-phase, four-wire.

(4) Square D distribution panelboards: NQ series; 200A, 208Y/120V, three-phase, four-wire. 3 panels in elec. room, one in IT room.

Dry-type step-down transformers: Two HPS Sentinel G transformers, model SG3A0075KB; each 75 kVA, three-phase, 480V primary / 208Y/120V secondary, 4.8% impedance, aluminum windings.

Additional Square D cabinet enclosure: Model NC50S, Type 1 enclosure for NQ or NF equipment.

Industrial charger monitoring device: Several PowerHouse Eco-Tec industrial high-frequency battery chargers located in building, but not installed. 8 Leviton NEMA L16-20R twist-lock electrical receptacles serving forklift stations.

2. Fire Sprinkler / Fire Pump / Life Safety

Wet-pipe ESFR warehouse sprinkler system: Designed for rubber tire storage; posted plans indicate 12 ESFR sprinklers at 52 PSI, K-16.8, 250 GPM hose allowance, and 1,500 GPM at 90 PSI electric fire pump supply.

Electric fire pump assembly: Horizontal split-case fire pump installation serving the sprinkler system.

Fire alarm control panel: Notifier by Honeywell NFW2-100.

Fire pump electric motor: Baldor Reliance fire pump motor, catalog FPM2555TS; 100 HP, 230/460V, three-phase, 60 Hz, 1,775 RPM, frame 404TS.

Electric fire pump controller: Firetrol controller, catalog FTA1930-AM100B; 100 HP, 440-480V, three-phase, 60 Hz, maximum system pressure 300 PSI.

Jockey pump control panel: Patterson model

FPJPC2360460 / R0015044; 2 HP, 460V, three-phase, 60 Hz, 3.4A FLA, NEMA 3R enclosure.

Jockey pump motor: AMT commercial-duty pump motor; 2 HP, 3,450 RPM, 208-230/460V, three-phase, 60 Hz.

Sprinkler riser / valve assembly: Tyco CV-1FR swing check valve, apparently 6 in. / DN 150, rated 300 PSI / 16 bar.

Valve supervisory / flow-control device: Tyco BFV-300 grooved valve supervisory switch assembly, rated 300 PSI / 20 bar.

Exterior fire pump test header manifold: Six-valve test header mounted on exterior wall.

Remote fire alarm annunciator: Notifier by Honeywell wall-mounted annunciator.

Fire alarm power supply / charger: Altronix LPS5C12X; 115VAC input, 12VDC output at 3.5A total.

Fire alarm initiating/notification devices: Notifier manual pull station and warehouse high-bay horn/strobe notification appliances are visible throughout building.

Eye wash station: Plumbed combination emergency eyewash and safety shower station located in warehouse.

3. Telecom. / Security / Low Voltage

IT / Telecom Room: Dedicated networking room located in office area.

Fiber optic internet service: CenturyLink supplied fiber optic service providing internet and data for PoE surveillance cameras.

Carrier Ethernet platform: Overture Networks, Overture 1400, part no. 0460-9000.

UPS / backup power unit: Tripp Lite SMART1500RM2U; 1,500 VA / 1,350 W, 120V input/output.

Security / intrusion alarm keypad: Honeywell keypad with Johnson Controls service.

Security/access-control equipment wall: Johnson Controls cabinet, multiple power-supply enclosures and associated low-voltage controls.

Resideo low-voltage comm./security device: Wall-mounted Resideo enclosure; specific function/model not readable.

Temperature monitoring device: Temp Alert analog wall-mounted temperature indicator.

4. Ventilation / Mechanical / Plumbing

High-volume low-speed warehouse ceiling fan: Two large six-blade HVLS fan.

HVAC: 2 packaged RTUs serving office area. Multiple large roof-mounted upblast exhaust fan (exact models or specs not verified)

Exhaust fan controls: Multiple Greenheck SmartStart motor starter/control cabinets throughout warehouse.

Commercial tank-type water heater: A.O. Smith model BTH 120 200 gas-fired 60 gallon water heater with expansion tank; build date 05/11/2016. Equipment bears AHRI, UL, and CSA certification markings. Seismic straps and proper drainpan/lines appear to be installed (buyer to verify).

Natural gas meter: Elster American Meter AL-1000; 25 PSI MAOP, rated for 1,000 CFH at 1/2 in. Natural gas supplied by Avista Utilities.

Misc: Janitorial closet, sink, and wash and drain station located near office area. Elkay bi-level wall-mounted refrigerated drinking fountain installed in office. Small Mesa Safe Co commercial security floor safe in office.

5. Loading / Industrial Equipment

Loading docks: 16 commercial sectional vertical-lift Serco Entrematic dock-high doors. 4 interior levelers installed. WeatherAll weather-seals installed on all dock doors.

Drive-In Door: 12'w by 14'h drive-in door located in northeast corner of warehouse. Paved exterior driveway leading to drive-in.

Interior Storage/Racking: 1 large metal compartment shelving system ideal for small product order staging or tool storage installed on south wall. No racking currently installed, but slab previously had significant number of storage racks installed.

Disclosure: Merit Commercial Real Estate assumes no liability for any inaccuracies; information is provided from sources deemed reliable, but is not guaranteed. Buyer is responsible for verifying all specs, models, functions, conditions, usability, and all other components of the Property. This inventory does not guarantee any items mentioned are included with the purchase of the Property, and is subject to change at any time without notice.

M Local Vendor Directory

Notes & Background

This vendor directory is tailored to commercial property owners or asset managers (the "Contracting Party") and covers the most common recommendations we give. We do not provide blanket recommendations for attorneys or finance/tax professionals, but may provide them based on your specific scenario - please contact us. Vendors marked with a star symbol indicate that Merit Commercial Real Estate ("MCRE") may receive compensation from this vendor. MCRE assumes absolutely no liability or responsibility for the actions of any vendor on this list. It is the responsibility of the Contracting Party to independently vet, verify, pay, manage, or otherwise work with any vendor. MCRE recommends all Contracting Parties obtain multiple bids/proposals for all work contemplated.

Notes & Background

This vendor directory is tailored to commercial property owners or asset managers (the "Contracting Party") and covers the most common recommendations we give. We do not provide blanket recommendations for attorneys or finance/tax professionals, but may provide them based on your specific scenario - please contact us. Vendors marked with a star symbol indicate that Merit Commercial Real Estate ("MCRE") may receive compensation from this vendor. MCRE assumes absolutely no liability or responsibility for the actions of any vendor on this list. It is the responsibility of the Contracting Party to independently vet, verify, pay, manage, or otherwise work with any vendor. MCRE recommends all Contracting Parties obtain multiple bids/proposals for all work contemplated.

Notice of Disclosures

This Offering Memorandum (the "Document") is intended for only the party receiving it from Merit Commercial RE, LLC ("MCRE"), and should not be made available to any other reviewing entity without the prior written consent of MCRE. All information included in this Document has been obtained from sources deemed reliable, however, Owner, MCRE, and/or their representatives make no representations or warranties, expressed or implied, as to the accuracy of the information, and makes no warranty or representation into the exact state of the property, the presence of contaminating substances, PCB's or asbestos, the property or owner's compliance with State and Federal regulations, or the physical condition of any improvements on the property. The recipient of this Document must independently verify the information and assumes any and all risk for inaccuracies contained herein. The information contained in this Document is not a substitute for a thorough due diligence investigation.

This Document and all related materials, including but not limited to text, graphics, financial data, projections, designs, and intellectual property contained herein, are the proprietary and confidential property of MCRE. The Document is provided solely for the use of the intended recipient(s) for the purpose of evaluating the specific investment or transaction opportunity described herein. Some photos or graphics in this Document may have been enhanced using AI and may not be exactly accurate, nor should they be relied upon for any investigation, studies, or any other use besides general informational purposes.

Any unauthorized use, reproduction, duplication, distribution, or adaptation of the Document or any portion thereof, in any form or by any means, whether electronic, mechanical, or otherwise, is strictly prohibited without the express written consent of MCRE. This includes, but is not limited to, copying, modifying, creating derivative works, or using the Document as a template or basis for other materials. Such actions may constitute a violation of applicable intellectual property laws, including copyright and trade secret laws.

MCRE reserves all rights to pursue any and all legal remedies available to the fullest extent permitted by law against any individual or entity engaging in unauthorized use, reproduction, or distribution of this Document. By accepting receipt of this Document, you acknowledge and agree to abide by these restrictions and to maintain the confidentiality and integrity of the information provided.
