8. TAX DECLARATION (FATCA AND CRS)

IMPORTANT: This section must be completed based on your Investor Type in order for your application to proceed.

The certification is being used to comply with the U.S. Foreign Account Tax Compliance Act (FATCA) and OECD Common Reporting Standards (CRS).

Australia is a participant in the Automatic Exchange of Information (AEOI) regime concerning the automatic exchange of financial account information with foreign jurisdictions. The regime aims to address tax evasion at a global level. The relevant laws are the Foreign Account Tax Compliance Act (FATCA) in the case of exchange by Australia with the United States of America (U.S.) and the Common Reporting Standard (Standard) in the case of exchange by Australia with other countries that have implemented the Standard. The Standard commenced operation in Australia on 1 July 2017.

The Foreign Account Tax Compliance Act (FATCA) relates to US taxpayers and the Common Reporting Standard (CRS) is a broader framework for the exchange of financial account information between jurisdictions relating to all non-Australian taxpayers.

To comply with FATCA and CRS, as a financial institution, we must collect information about your tax status before opening your account. In some cases, this information will need to be reported to the Australian Taxation Office who may then pass this information to tax authorities in other jurisdictions. Please note that if you do not complete this section, we may not be able to process your application.

Further information about this regime is available at the ATO website below:

<https://www.ato.gov.au/General/International-tax-agreements/In-detail/International-arrangements/Automatic-exchange-of-information---CRS-and-FATCA/>

As a result of Australia's participation in the regime applicants must certify their country of tax residency. Where required the information will be reported to the Australian Taxation Office (ATO) which will report to various global tax authorities.

If you are unable to complete this form, please seek appropriate advice relating to the tax information required.

The account holder is the persons listed or identified as applicant in Section 6 (Account Holder).

The Account Holder's Country of Tax Residence, Taxpayer Identification Number (TIN) or Tax File Number (TFN), Global Intermediary Identification Number (GIIN), FATCA Status, CRS Status and Controlling Persons (includes Beneficial Ownership details) must be provided in this section. If the person opening the account is not a Financial Institution and is acting as an intermediary, agent, custodian, nominee, signatory, investment advisor or legal guardian on behalf of one or more other account holders, this form must be completed by or on behalf of that other person who is referred to as the Account Holder.

Please select the option below which describes the type of applicant(s) for tax purposes:

*Tax residency rules differ by country. Whether an individual is a tax resident of a particular country is often (but not always) based on the amount of time a person spends in a country, the current location of the person's residence or place of work. For the United States (U.S.), tax residency is also attributed to all U.S. citizens, regardless of where they live or work.
