- (ii) The Unitholder recognises that reliance upon such exemptions is based in part upon the representations of the Unitholder contained herein (including the Subscription Documents).
- (iii) The Unitholder represents and warrants that the Units will be acquired by the Unitholder solely for the account of the Unitholder, for investment purposes only and not with a view to the distribution thereof.

- (v) there may be resale restrictions applicable to the Units which the Unitholder may acquaint himself with;
- (vi) any document or material in connection with the offer or sale of the Units does not constitute an offer or solicitation by anyone in any jurisdiction in which such an offer or solicitation is not authorized or to any person to whom it is unlawful to make such an offer or solicitation; and
- (vii) there has been no finding or determination as to the fairness of this investment by any regulatory authority.

(i) Risks of Investment in Trust and its Units.

- (i) The Unitholder recognises that (A) an investment in the Sub-trust and its Units involves certain risks, (B) the Units will be subject to certain restrictions on transferability as described in the Trust Deed and (C) as a result of the foregoing, the marketability of the Units will be severely limited.

- (i) the Trust has no financial or operating history;
- (ii) the Unitholder is not entitled to cancel, terminate or revoke this subscription or any of the powers conferred herein;
- (iii) the Trustee may accept this subscription in whole or in one or more parts;
- (iv) forecast investment returns set forth in any Subscription Information are presented for the purpose of providing insight into the Issuer's objectives, detailing the anticipated risk and reward characteristics in order to facilitate comparisons with other investments, and aiding in future evaluations of the performance. Forecast investment returns are not a guarantee of future performance and are based upon assumptions regarding future events and conditions which may not prove to be accurate. Accordingly, the Unitholder should not form the primary basis for an investment decision; and
- (v) the Unitholder is solely responsible for making his own independent investigation and appraisal of all investments and his own independent verification of any of the Subscription Information provided;
- (vi) the Unitholder has made all necessary enquires in respect of such investments into the Trust, including the nature and objective of the investments, the key benefits and risks of the investments, his key rights with respect to the investments, the ease of converting the investments to cash, the commitment required in respect of the investments, the pricing of the Units, the fees and charges to be borne by the Unitholders, any applicable charges or restrictions on withdrawal, surrender or redemption of the Units. In particular, the Unitholder understands that subject to any applicable laws, he does not, through the acquisition of interests in the Units, acquire any interest in the voting rights in the Issuer;
- (vii) the Unitholder has the appetite to assume all economic consequences and risks of such investments and to the extent necessary, has consulted his own tax, legal and other advisers; and
- (viii) neither the Trust nor the Trustee shall be liable for any representation made in the Subscription Information.

(k) No Public Solicitation of Unitholder.

The Unitholder confirms that it is not subscribing for any Unit as a result of any form of general solicitation or general advertising, including (a) any advertisement, article, notice or other communications published in any newspaper, magazine or similar media (including any internet site that is not password protected) or broadcast over television or radio or (b) any seminar or meeting whose attendees were invited by any general solicitation or general advertising.

(l) Anti-money Laundering Compliance.

The Unitholder acknowledges that the Trust seeks to comply with the AML Laws. In furtherance of these efforts, the Unitholder represents, warrants and agrees that to the best of its knowledge after reasonable inquiry:

- (i) no part of the funds used by the Unitholder to acquire the Units or to satisfy its capital commitment obligations with respect thereto has been, or shall be, directly or indirectly derived from, or related to, any activity that may contravene any applicable anti-money laundering laws and regulations. In particular, the funds are from legitimate sources in connection with the Unitholder's regular business activities and which do not constitute the benefits derived from criminal conduct within the meaning giving in the Corruption, Drug Trafficking and Other Serious Crimes (Confiscation of Benefits) Act (Cap. 65A) of Singapore, the AML Laws as defined and the regulations or guidance notes issued pursuant thereto; and
 - (ii) no capital commitment, contribution or payment to the Trust by the Unitholder and no distribution to the Unitholder shall cause the Trust or the Trustee (including such other person as duly appointed by the Trustee) or CapBridge to be in violation of the AML Laws.
- (m) The Unitholder acknowledges and agrees that, notwithstanding anything to the contrary contained in the Trust Deed, or any other deed or agreement, to the extent required by the AML Laws, the Trust and the Trustee may prohibit additional capital contributions, restrict distributions or take any other reasonably necessary or advisable action with respect to the Units, and the Unitholder shall have no claim, and shall not pursue any claim, against the Trust or any other person in connection therewith.
- (n) Tax Matters.
 - (i) The Unitholder hereby agrees that it will properly execute and provide to the Trust in a timely manner any and all tax documentation that may be reasonably required by the Trustee in connection with the Trust. In addition, the Unitholder agrees to update such information if and when any such information is no longer true or correct and to provide any additional information required pursuant to any change in law, or the application or interpretation thereof. The Unitholder acknowledges that if the Unitholder does not provide (or appropriately update) any such information with respect to the Trust the Unitholder may be required to indemnify the Trust for any losses the Trust incurs as a result.
 - (ii) The Unitholder understands and acknowledges that failure of the Unitholder to timely provide the Trustee with all information and forms (i) requested in this Subscription Agreement, (ii) thereafter requested by the Trustee, (iii) required for claiming treaty benefits or (iv) otherwise required by a tax authority, may preclude the Unitholder from obtaining certain tax benefits, if any are available. In addition, such failure may lead to compliance failure by the Trust, or a risk of the Trust or other investors being subject to withholding tax and the Trustee reserves the right to take any action and/or pursue all remedies at its disposal, including, without limitation, bring an action against the Unitholder, compulsory transfer of the Unitholder's Units or withdrawal as investor(s) of the Trust and the Unitholder shall not have any claim against the Trust, the Trustee or their respective delegates for any form of damages or liability as a result of actions taken or remedies pursued by or in respect of the Trust.

- (iii) The Unitholder understands and acknowledges that any income tax benefits that may be available to the Unitholder may be lost through the adoption of new laws or regulations, changes to existing laws and regulations or differing interpretations of existing laws and regulations, in certain circumstances with retroactive effect, and the Unitholder, in making this investment, is relying, if at all, solely upon the advice of such Unitholder's personal tax advisor with respect to the tax aspects of an investment in the Trust.
- (iv) Unless otherwise indicated by the Unitholder, the Unitholder's tax year ends on December 31 of each year. The Unitholder understands that it is possible that certain investments of the Trust may not be able to distribute information necessary for the Unitholder to complete its income tax returns by the relevant filing deadline, and as a result the Unitholder may be required to submit an extension for filing its tax returns.
