

NEIGHBORHOODS OF HOPE®

Ending poverty one community, one neighborhood, one person at a time.

St. Vincent de Paul
NORTH TEXAS

NEED SUPPORT, MENTORSHIP, OR DEVELOPMENT IN YOUR COMMUNITY? REDUCING POVERTY, A NEIGHBORHOOD AT A TIME

OUR MISSION

The Neighborhoods of Hope program helps the residents of individual neighborhoods identify specific problems and work with their community to identify and solve challenges. This process creates a sustainable system that ensures the entire community has a part in taking action and making changes.

ST. VINCENT CENTER

1120 Randlett Street Lancaster, TX 75146

Neighborhoods of Hope puts individuals at the center of the process and focuses on bringing together that community's unique resources to fight poverty. Volunteers are trained in these 3 areas:

1. Understanding Poverty
2. Mentoring
3. Enhanced Home Visits

REDUCING POVERTY

Four tools for reducing poverty:

- Enhanced Home Visits
- Outcome-based collaboration
- Efforts aligned with outcomes
- Neighbors engaged in planning

WE PUT PEOPLE AT THE CENTER

- 43 million live in poverty in the US
- 15.8% of Dallas County residents live in poverty
- 26% of children live in poverty

Systemic Change + Collective Impact + Vincentian Principles =
Every part of the community fighting poverty
