

SOCIETY OF ST. VINCENT DE PAUL MONTHLY IMPACT REPORT

APRIL 2025

St. Vincent de Paul
NORTH TEXAS

Welcoming Kris Vetter and Maria Morin

This month, our Council team expanded with the hiring of Kris Vetter (our new Chief Advancement Officer) and Maria Morin (our new Vincentian Services Advocate). Kris is helping us to engage current and prospective donors and invite them to become a part of our mission. She will assume full leadership of our Development efforts later this year. Maria will work with our Vincentian services team by assisting conferences, starting new conferences, and supporting Vincentian member formation. Both come to us with extensive experience in the nonprofit sector, and we're blessed to have them on our team.

Council Stats:

- 837 Vincentians
- 39 conferences
- 1,089 helpline calls

Program statistics reflect comparisons (▼▲) to April 2024.

Conference Corner: Prince of Peace

As a Vincentian for the past 10 years, Linda Dickson joined the Society after her retirement, desiring to give back to those in need and reflecting the love and blessings that God has given her. After hearing about the Society at Mass, she knew that this was where she was meant to be.

Since then, she's helped hundreds of neighbors, experiencing a complete range of emotions in the process. But through it all, she's learned to lean on the Holy Spirit, trusting that He will provide the right words and actions for each neighbor.

Staff Spotlight: Melani Guerra- Director, StudyTime Program

Melani began working with the Society in 2014 where she began helping students of multiple grade levels achieve academic success. Since then, she has helped the program expand to three locations, four groups, and 133 students.

Outside of work, Melani enjoys reading, but you'll often find her with her grandmother and her daughter, who is pursuing a doctorate in physical therapy. Overall, Melani is extremely grateful for all the support, growth, compassion and memories made with her co-workers and the StudyTime families.
