2025 SVDP Spark of Hope Breakfast

In May, we hosted our 2025 Spark of Hope Breakfast at the Westin Galleria in Dallas. We were joined by over 200 attendees as we reflected upon our mission to journey with others. We honored those that have dedicated extensive time, energy, and resources to our neighbors: Deacon Jim and Johnnie Harris, the Walmart Distribution Center in Lancaster, Roger McLaren from Inwood National Bank, Kayla Kennedy, co-founder of StudyTime, and Michael Pazzaglini, our former CEO. **Save the Date** for next year's event on **Friday, April 10th, 2026!**

Conference Corner: Sacred Heart

As the Conference President at Sacred Heart, Monica Mueller has worked to serve our neighbors in need for over 10 years. Following a tornado in 2014, she and others worked together to create a conference at their parish in Washington, Illinois, allowing them to meet the community's needs during the crisis.

After her move to Texas in 2017, she joined Sacred Heart's Conference and became its president. Under her leadership, teamwork and friendship have flourished, creating opportunities for fellow Vincentians to use their talents to serve. By saying yes to God, she has impacted countless neighbors and fellow Vincentians with her faith, compassion, and sacrifice.

Staff Spotlight: Kris Vetter- Chief Advancement Officer

As a newcomer to SVDP North Texas, Kris has brought an extensive wealth of leadership and fundraising experience at organizations like the University of Dallas and Southern Methodist University.

She looks forward to meeting with board members, donors, and other stakeholders, inviting them to experience our mission more deeply. Outside of work, she's married to Deacon Paul Vetter, a deacon at St. Rita, and they have a college-aged son.
