MONTHLY IMPACT REPORT

NOVEMBER 2025

Celebrating 70 Years of Service in Dallas

In January 1956 the first conference of The Society of St. Vincent de Paul in the Diocese of Dallas began meeting at Holy Trinity Parish. Those trailblazers set the path for the Society to grow.

In the Diocese of Dallas there are now 40 parishes with active conferences and more than 800 volunteer members, and we continue to recruit new members in some of the other 34 parishes in the Diocese.

On January 31 we will begin to celebrate this 70th anniversary by gathering at The National Cathedral Shrine of Our Lady of Guadalupe for a special Recommitment Mass with Archbishop Andrew Bellisario, C.M., Archbishop of Anchorage-Juneau and the National Episcopal Advisor to the Society of St. Vincent de Paul.

Today the Society enhances the faith of our members, builds friendship and serves more than 82,000 individuals across the region, bringing Hope, Compassion and the Face of Christ to those we serve

Council Stats:

- 836 Vincentians
- 40 conferences

Staff Spotlight: Louise Bland – Vincentian Services

I am thrilled to join the Vincencian Services Team at the Diocesan Council, serving as advocate for all conferences in District 1 and District 4.

This new role for me involves providing support and guidance to the conferences as they navigate living out the Vincencian Charism of Spiritual Growth and service to our neighbors in need.

While I have already established relationships with many members through my leadership of The MLP program, I am eager to strengthen these connections and to forge new ones as I engage more directly with conferences.

I am sincerely appreciative of the chance to become more involved in conference operations, and I dedicate myself to nurturing a reliable and trustworthy relationship between the conference and the council.
