RELEVANT WORK EXPERIENCE

Freelance Designer

Sept 2024 - present

Conceptualized, designed, and developed websites using a user-centered approach. Projects included branding, UX/UI design, and Webflow development. Collaborated closely with clients to translate their vision into clear, engaging digital experiences.

Founder, therapist

Élménymászás SE | Nov 2015 - Aug 2024

We created an experience-based therapeutic framework for children. Used wall and rock climbing as a tool for experiential therapy and complex development. We designed methodologies and workshops and a whole working process for the association.

Recruiter/ Soft skill trainer

Codecool | Apr 2016 - Nov 2018

I was responsible for recruiting new students. I also facilitated soft-skill trainings in different topics (E.g. assertiveness, stress-management, teamwork, etc.) to increase the hiring success.

Research Assistant

Pázmány Péter University | Jan 2016 - Jan 2017

I was working in the Cognitive Neuroscience Lab, conducting sleep-related experiments with adolescents and analyzing data.
