The map illustrates the layout of the HolaCamp Sitges Garrofer festival site. It is divided into several main sections, each containing numbered plots and various facilities. The sections are color-coded: yellow for the top-left area (plots C1-C67), blue for the bottom-left area (plots D1-D39), green for the top-middle area (plots A1-A49), light blue for the middle area (plots E1-E39), and orange for the bottom-right area (plots F1-F96 and G1-G40). The map includes a legend with 30 icons representing different facilities such as first aid, security, fire extinguishers, emergency exits, fire alarms, entrances/exits, reception, parking, recycling, bus stops, BBQs, chiringuitos, restaurants, minimarkets, adapted bathrooms, baby changers, women's and men's showers, water points, dishwashing sinks, laundry, chemical toilets, grey water discharge, pool access, swimming pools, lifeguards, multi-sport courts, volleyball courts, pétanque courts, padel courts, ping-pong, MiniClub, children's park, stage, healthy machines, and skatepark. Specific facilities like 'La Sinia restaurant', 'CAMPING PIZZA', and 'Socorrista' are also labeled. The map shows a network of paths and roads connecting the different areas, with parking lots (P) and emergency exits (red arrows) clearly marked.
