## LEARN TODAY, LEAD TOMORROW!

Welcome to the 2025–2026 school year! I am excited to partner with you in fostering a supportive and enriching learning environment, where our core values of *Lifelong Learning, Empathy, Achievement, and Determination* guide everything we do! Family involvement is key to student success and I encourage you to stay connected, participate in school events, and collaborate with our staff throughout the year. Our shared commitment ensures that every child feels valued and ready to embody these core values every day. With your support, I look forward to a year of leadership, learning, and growth!
