What We've Been Up To

We have learned that exercising is important for our whole body! The children have made the connection that eating healthy and exercising help them become strong and able to do the things they like, such as play. We continue to practice phonics (letter sounds, syllables and blending and segmenting words) and writing EVERY day!!!

What To Expect Wheels Study

- ~Different Types
- ~How They Move
- ~How We Use Them

Concepts

- ~Directional Words
- ~Number Quantity

Student of the Month Jaleon Brown

Jaleon comes to school every day. He is a leader in the classroom. He commands attention and is a great conversationalist.

Reminders

Please label all clothing items brought to school. One of the concepts we teach is self-help skills, so please talk to the children about being responsible for their things. We show them how to hang up their coats and bags, how to open and close different clothing fasteners (zippers, snaps, buttons etc.)

Important Dates

03/05 Parent Teacher Conferences (Half-Day) / 03/19 – Brighter Bites Distribution / 03/20 – Eid al-Fitr (School Closed) / 03/27 – Fun Friday / 03/31 – Brighter Bites Distribution
