Pre-K News

What's Been Happening

Our scholars have been reading stories, watching videos, having discussions and making connections as to why recycling is important. They have learned that when they reduce, reuse and recycle we help keep our environment cleaner and safer to live and grow.

We have continuously been engaged in phonics and writing

On the Horizon ... Buildings

- ~Different Types
- ~Who Builds Them
- ~What They're Made Of

Some Focus Concepts

- ~Graphing
- ~Measuring
- ~Rhyming

Student of the Month Fatima Diallo

Fatima is helpful to her teachers and friends. She explores every area in the room and is improving in her willingness to participate in all classroom activities.

Reminders

We are almost at the finish line, but school and learning are still in session. Aside from sickness and emergencies, please be sure to send your child to school on time, every day (8am-2:20pm). We love to see our babies.

Chronic absence — missing 10 percent or more of school days due to absence for any reason—excused, unexcused absences and suspensions—can translate into students having difficulty learning to read by the third-grade, achieving in middle school, and graduating from high school.

Birthdays and Other Important Dates

05/07 – Virtual Parent-Teacher Conferences / 05/14 – Dylan Dyce & Brighter Bites Distribution / 05/25 – School Closed (Memorial Day) / 05/27 – School Closed (Eid al-Adha) / 05/28 – Brighter Bites Distribution / 05/29 – Fun Friday
