The meeting was called to order by Ms. Stewart, who chaired the meeting in the absence of Principal Polight.

The minutes from the previous meeting were read by Ms. Miller and approved by Ms. Howell.

Principal Polight was absent; therefore, there was no Principal’s Report.. Ms. Stewart informed the team that members would continue working on the Comprehensive Education Plan (CEP) to support ongoing progress monitoring. The team reviewed and updated the CEP to ensure alignment with current school priorities. Progress monitoring data was entered into the CEP for **Priority 1, Priority 3, and Priority 5**, demonstrating ongoing SLT oversight of student achievement and school improvement goals.

The team reviewed **Period 2 progress monitoring**, focusing on **Priority 3** (ensuring all students have a high-quality academic experience, including attendance and chronic absenteeism) and **Priority 5** (increasing inclusivity and responsiveness to parents and families, including increasing the number of families who choose NYC Public Schools).

Ms. Howell reported that the PTA meeting was held on Wednesday at 2:00 PM with good attendance. The PTA discussed upcoming fundraising efforts, including a contribution jar for parent donations. Fundraising will begin on the second Friday in March. Ms. Howell noted that scheduling PTA meetings at 2:30 PM may allow more teachers to attend.
