What Are We Learning

ELA

HMH Module 1: What Make Us Who We Are?
In this module, students will listen to, read, and view a variety of texts and media that present them with information about our identities.

Math

Envisions Topic 1: Generalize Place Value Understanding. Students will expand their place value understandings from numbers to 1,000 (Grade 3) to 1,000,000 (Grade 4).

Writing

In writing class this month, fourth graders are learning how to write personal narratives. A personal narrative is a true story about a real event that happened in a student's own life.

Science

Students are learning how to use the five senses to make observations and separate them from inferences.

Social Studies

Students learn physical and human geography features of New York State, such as landforms, bodies of water, and climate.

Important Dates

October 12th - Italian Heritage/Indigenous Peoples' Day, schools closed.

Reminders

- Breakfast will be served Monday - Friday 7:40-8:00 am.
- If you have any questions or concerns please reach out to myself or Ms. Sze on class dojo.

Student Of The Month

Ameer Holmes

Ameer comes to class everyday with excitement and curiosity for new ideas. He puts maximum effort into his school work and inspires his classmates.

Birthday's

Kodi - 10/5
