Adopted September 24, 2026

Article I – School Leadership Team Mission Statement [and] Educational Vision

The mission of the School Leadership Team of PS 335 is to recognize that all children have multiple intelligences and different learning styles. As educators, we create an environment of high expectations and standards, which challenge our students to reach their maximum levels of performance in all academic areas. Parents, staff, administration, and the community work together creating the best possible learning environment to support our students. Our programs prepare our students to become capable and concerned citizens of the world. Literacy, writing, mathematics, content area studies, technology, and the arts play a central role in our school. They foster creativity, develop imagination, and inspire innovation. Our vision is to create a learning environment that provides opportunities that help motivate and encourage all our students to become life-long learners. We will help to maximize individuals' potential, develop personal strengths, and ensure students are well-equipped to meet the challenges they face in the world.
