Just You & Me, Kid is the perfect starter camp for young campers who are new to staying away from home prepping them for overnight camps on their own. Activities are geared towards campers and their significant adult. These include Bible study, crafts, games, and fellowship, bringing campers closer to each other and God!

Your Backstage Pass is a set design camp that prepares the stage and set for the play that will be performed at end of Creative Spirit.

Creative Spirit is a theater camp in which the campers will audition, be casted in rolls, practice and perform the show on Friday night!

It is an amazing week of songs, lines, friends, and sharing the gifts God has given us.

Faith Journeys is all about community. We celebrate how God made us and help each person grow into the incredible person God created us to be. We do service projects, play games, low ropes, have big & little buddies, and eat & worship together. We hope you can join us so we can get to know the amazing human God created you to be!

All Ages offers a unique experience where campers spend the week in multi-age cabins and family groups while also having time with kids in their age group. This camp embraces the gifts each person brings regardless of age & actively teaching Christian values in a family setting. The philosophy of the camp is built on mutual respect - Respect for God, others, the world & our homes, and ourselves. At the heart of the camp is the growth of a personal faith in Christ, practiced in community.
