Proclamation

On August 29th of 1976, the Beta-Tau Kappa Sigma Fraternity experienced a tragic house fire. In that fire, twenty-two were able to make it out safely, but they lost five friends and brothers; Mark Morris, Stephen Hoge, David Sloop, Stuart McCoy, and Theodore "Ted" Bailey. Dedication from the alumni's fraternity board, national alumni, and many supporters' generosity, helped rebuild the fraternity house in less than two years.

On August 29, there will be a reception at the Collins House, and a memorial service at Rice Auditorium.

Mayor Cullumber read the proclamation and asked for a moment of silence to remember this monumental event.

F. Old Business

G. New Business

1. Special Event-Wellsville 1st Annual RZR/Ranger Run

This special event request is for the USD 289 school district; they are raising funds to go towards the negative school lunch balances for any families that are in that situation. The Bull Pen is on their route, so they applied for a special event in Baldwin. They are requesting to have the fee waived as they are under a non-profit, and asking to allow for their side-by-sides to be allowed to have other city tags on them and be allowed in Baldwin City for the hour or so they will be in town.

Peter Wentz moved and Jay King seconded to approve the special event Wellsville First Annual Razor/Ranger Run. Motion passes 5-0.

Cory Venable moved and Jay King seconded to waive the city fee for the one-time event. Motion passes 5-0.

2. Douglas County Emergency Management Board Appointment

Police Chief Mike Patrick has agreed to stay on this board for another 1-year term.

Cory Venable moved and Julie Constantinescu seconded to appoint Mike Patrick, Chief, to the Douglas County Emergency Management Board. Motion passes 5-0.

3. KMGa Board Appointment

Cory Venable moved and Jay King seconded to approve Russ Harding and Jeff Winkler for the KMGa Board Appointment. Motion passes 5-0.

4. Common Consumption Special Event

This special event has already been approved through the Consent Agenda and was approved. It was not realized at that time that they were requesting the common consumption area, so it needs to go back through as the council requested for common consumption events.

Peter Wentz moved and Cory Venable seconded to approve the common consumption special event as proposed. Motion passes 5-0.

- Algae in the fountain has been an issue causing it to be drained and cleaned more often.
- 3 water leaks have been worked on.

- Flushing hydrants in west Baldwin which helps to maintain chlorine residual in the system and helps to keep them functioning properly.
- 104 non reads this month.

- Pat's crew continues to make progress on the SE feeder reconductor from 3rd and Orange to approx the east end of Baker Stadium.
