# FAQS

• **Can I bring my own food and alcohol?**

No, we do not allow any outside food or beverage. We have a dedicated chef with over 10 years of experience that prepares and cooks all food items right on site!

• **Do you offer a food tasting?**

Yes! We host an annual Grand Tasting event for all contracted couples. This is complimentary for our couples only.

• **Is the venue handicap accessible?**

Yes! We offer handicap parking near the ceremony location, a ramp to the terrace and main building, and an accessible side entrance. First-floor restrooms include a handicap stall, and a staff-assisted lift provides access to the second-floor lounge and ballroom.

• **Can I bring my own vendors?**

Yes! We do have a preferred vendors list to get you started in your research, but you are able to provide your own vendors including florists, photographers, videographers, band or DJ, provided they have liability insurance and sign our vendor contract. Check out our [Favorite Vendors Here!](#)

• **If I plan an outdoor ceremony and it rains, where do I get married?**

Our umbrella insurance is a no-brainer! Choose this option and be assured that if it slightly sprinkles, all guests will receive a rental clear dome umbrella to cover them just in case. Otherwise, we offer the option to make the final call 24 – 48 hours before your wedding to move the ceremony into our Grand Ballroom.

• **Do we get to host a rehearsal?**

Yes! We do host rehearsals on-site, however a rehearsal dinner would take place elsewhere. Rehearsals are always the week of the wedding, but not necessarily the day before as the venue hosts weddings & events throughout the week. We do not host rehearsals on the weekends.

• **Can my dog be a part of my ceremony?**

Yes! We allow dogs/animals as part of an outdoor/tented ceremony only. We do not allow any dogs/animals in the building except for service dogs.
