

Getting Started with Cybersuite X

Welcome to **Cybersuite X**, your all-in-one smart building app, designed to streamline communications, access services, and enhance your living experience. Follow the steps below to get started.

How to Download the App

Getting the **Cybersuite X** app is quick and easy.

For iPhone Users (iOS)

1. **Open** the **App Store** on your iPhone.
2. In the search bar, **type** “**Cybersuite X**”.
3. **Tap** on the **Cybersuite X** app from the search results.
4. **Press Download** or **Get** and authenticate with Face ID, Touch ID, or your Apple ID password.
5. Once installed, **open** the app and **log in** or **create** your account via your invitation.

For Android Users

1. **Open** the **Google Play Store** on your Android device.
2. In the search bar, **type** “**Cybersuite X**”.
3. **Tap** on the **Cybersuite X** app from the search results.
4. **Tap Install** and wait for the app to download.
5. Once installed, **open** the app and **log in** or **create** your account via your invitation.

How to Sign Up & Create an Account

Access to **Cybersuite X** begins with an invitation from your property management team. Follow the steps below to create your account:

1. **Check Your Email** - Once your property manager adds you to the system, you'll receive an email invitation from **Cybersuite X**.
2. **Open the Email** and **click** “**Create Cybersuite X Account**”.
3. **Set Your Password** - **Enter** a secure password and confirm it.
4. **Agree to the Terms** - Review and accept the **Terms of Service** and **Privacy Policy**.
5. **Download the App** (if you haven't already) - Follow the instructions in the email to **install** the **Cybersuite X** app from the App Store or Google Play Store.
6. **Log In** - **Open** the app, **enter** your registered email and password, and start using **Cybersuite X**.

Note:

- *If you haven't received an email invitation or your email isn't recognized, contact your building management for assistance.*
