

Navigating Cybersuite X Modules

PDF Library

The **PDF Library** in **Cybersuite X** provides access to important **building documents** such as **house rules**, **guidelines**, **notices**, and **manuals**. All documents are archived for easy reference whenever you need them.

Steps to Access and Search for Documents

1. **Open** the **Cybersuite X** App and **tap** on the **"PDF Library"** module.
2. You will see a list of **available documents** related to your building.
3. Use the **search bar** to quickly find specific documents by title or keyword.
4. **Tap** on a **document** to **open** and view its contents.
5. If needed, you can **tap** **"Download"** to download the document directly onto your device.
