Concurrent Licensing

- Shared license model. App can be used by anyone you give access to.
- Internal users can use all products. External users limited to FileMaker WebDirect and FileMaker Go.
- Best option if lots of occasional users.

FM Server
Includes 1 Claris FileMaker Server license.

Annual License

- Pay Annually.
- Includes upgrades to new versions when released.
- Subscription from 1 to 5 years.

Perpetual License

- Pay once.
- Optional maintenance available for upgrade rights (requires annual payment).

Site Licensing

- Unrestricted access for all employees.
- License count is equal to employee headcount. 25-license minimum.
- Unrestricted access via FileMaker, WebDirect and FileMaker Go for anonymous (external) users.

FM Server
Install on-premise FileMaker Server licenses up to your total licensed headcount.
