

# CAN YOUR AUTO SHOP DO THIS?

The right tools keep your shop running smoothly. With Tekmetric, you can take advantage of powerful automations, visibility, and communication tools, even if you can't stop Cody from borrowing your wrenches.

## IN THE FRONT OFFICE

- ✓ Automate job creation with Smart Jobs
- ✓ Text customers with your phone number
- ✓ Text estimates and invoices
- ✓ Share images and videos
- ✓ Optimize appointment slots
- ✓ See appointments from anywhere
- ✓ Integrate with calendar tools
- ✓ Collect payment with text-to-pay
- ✓ Offer buy now, pay later options

## IN THE GARAGE

- ✓ Use mobile devices to upload visuals
- ✓ Add jobs in repair orders from inspection findings
- ✓ Order parts in repair order workflows
- ✓ Track parts in repair order workflows
- ✓ Integrate inventory data with repair orders
- ✓ Integrate inventory data with estimates

## IN THE BACK OFFICE

- ✓ Measure performance with real-time reports
- ✓ Train staff to increase on-the-job engagement
- ✓ Manage multiple shops in one place
- ✓ Consolidate multi-shop inventory management
- ✓ Get responsive support any time you need it
- ✓ Join online communities of independent shops

Say yes to every feature on this list with Tekmetric. Connect the different parts of your shop to gain efficiency, make better decisions, and improve customer satisfaction. You'll get your wrenches back eventually.
